And the fun continues - We still have a lot of great sailing and club activities remaining before we put the boats and clubhouse away for the winter. So, get your pencils out and mark your calendar for:

- Funday/Robert Henry Memorial Race scheduled for Saturday, Sept. 1. This is a feeder race to PCYC with the Green Island Race the next day. It's also a Cruising Fleet weekend destination.
- Labor Day Potluck on Sept. 3
- Hog Wild Regatta on the weekend of Sept. 8 and 9
- Champion of Champions on Wednesdays, Sept. 26 and Oct. 3. We hope you'll come out and support this regatta by viewing the racing on the water. We'll have burgers and brats after the races, so this is a great way of continuing our Wednesday night gatherings.
- Fall Workday and General Meeting on Saturday, Oct. 20
- Awards Banquet on Nov. 3 at the Sandusky Yacht Club.

Don't forget that Wednesday Night races begin earlier as of Sept. 1. Please consult the 2012 Race, Cruising and Activity Schedule for your fleet starting times.

The next monthly SSC Board meeting will be held on Tuesday, Sept. 11. As always, Board meetings are open to all SSC members.

I invite you to contact me by phone at 419-433-6151 or by email at jphartung@bex.net if you identify any club issues that need attention.

Commodore's CommentsJohn Hartung

Beware the rocks! - Several weeks ago, one of our members did substantial damage to his boat by hitting one of the submerged rocks that are located bay-side of Springer's Wharf. We're not sure how many of these large rocks are on the bottom of that area, but we think there are at least six or seven lurking in the depths. As you've probably noticed, the water level has been dropping and is expected to continue its decline into fall. So, be careful. Stay well away (at least 100 yards) from the wall and stay east of the entrance marker buoy when entering and departing the sailing basin. We know of no rocks that are located directly outside of the wall opening.

**Bang - Bang - Bang!
It's time to head in.**

Vice vice Baby!!VC Sjoerd-Jan VanderHorst

We are currently in the prime of the season and I hope you are enjoying your boat(s) and the club. We had a few great regattas in the past month, including the Jr. Regatta and the J/24 Midwinter. But we have many more left to go. We have the Funday/Rob Henry Memorial, Labor Day Potluck, Hog Wild Regatta and C of C's. Make sure you come out and participate because before you know it the season will be over.

Fall Workday - Speaking of the end of the season, Fall workday is around the corner. If you have any tasks you would like to add to the current list, please let me know. Workday is Saturday, Oct. 20 starting at 8:30am. Please put it on your calendar. We look forward to seeing you there.

If you have any house or grounds issues, please contact me at 440-617-9995 or sjvanderhorst@gmail.com.

Labor Day Potluck - Plan to welcome fall at SSC on Labor Day weekend. Once again, we will be holding our Labor Day Potluck on Monday, Sept. 3. Please bring a dish to share. The potluck starts at noon.

The "New" SSC Champion of Champions Regatta - Come out and join us for the 2012 Champion of Champions regatta on Sept. 26 and Oct. 3. For this year, the C of C's will be raced on two consecutive Wednesdays. We'll be serving our traditional Wednesday brats and burgers - so come out and support your fleet!

CAUTION, LOW WATER!! The U.S. Army Corps of Engineers has issued a report regarding current/forecasted water levels:

"The water level of Lake Superior is near the same level as one year ago, while Lake Michigan-Huron is 10 inches lower than its level of a year ago. Lakes St. Clair, Erie, and Ontario are 11, 12, and 10

inches, respectively, lower than their levels of a year ago. Over the next month, Lake Superior is forecasted to remain near its current level, while Lake Michigan-Huron is expected to fall 1 inch. The water levels of Lakes St. Clair, Erie and Ontario are forecasted to fall 7, 5, and 3 inches, respectively, over the next thirty days."

All berth holders are reminded that when leaving or entering the harbor to stay 300 feet off the wall before turning to avoid the rocks. There have been reports of groundings, one that caused significant damage. Lower water levels will compound this problem.

If you plan to haul out early to avoid low water, please let me know. We have several deep draft boats that may need to be relocated for the rest of the year to avoid getting stuck on the bottom.

For further information, please visit <http://www.lre.usace.army.mil/greatlakes/hh/greatlakeswaterlevels/waterlevelforecasts/weeklygreatlakeswaterlevels/>

Please contact me with questions, comments, or concerns at 419-656-5881 or timmosbcglobal.net.

The next meeting of the Sadler Board is Sept. 4 at 7:00pm.

The 2012 Sandusky Junior Race Team Travelers Series is now done. We had a very successful year, and the kids enjoyed themselves as they matured through the summer sailing season. This year the series was again the best 5 out of 8, and we can say that we had representation at all events this summer which is quite an undertaking. Thanks to all the parents who helped make all the events possible with the towing responsibilities and getting kids to and from venues safely. The last race was at SSC and the weather was a typical bay day with the winds blowing pretty steady. As for the Traveler's Series, we had some top finishers from the club this year:

C420's

Eli Zettler, 3rd Place Skipper

Oliver Burger, 2nd Place Crew

Dylan Winkel, 4th Place Skipper

Montana Coulter, 3rd Place Crew

Laser Radial

Mic Kaufman, 3rd Place

The rest of the team also did great and their help with the team was very much appreciated:

Laser Radial

Drew Blackburn, David Mendenhall, Jack Sheppard

Optimist

Nathaniel Zettler, Aydan Coulter, Sam Yoder,

Christopher McCollum, Maddie Grant, Kaily Hirshman and Kathleen Mendenhall

For the Good of the Order

JAM and PHRF captains - To avoid the annual mad rush to get results compiled and flags ordered in time for the awards banquet, please submit results for the Spring and Summer series by Sept. 9. I will order flags for these two series on Sept. 10. This will give the flag shop time to prepare the flags for these two series. Flags for the Fall and Away series and for special fleet awards will be ordered no later than four weeks before the banquet. Thanks! Don Guy
