Comentarios del comodoro de la diversión Commodore Matt Bedee

COVID-19 - Social distancing and COVID-19 are making life interesting for all of us. To keep the confusion to a minimum, the Flag Officers have decided to follow the guidelines set forth by Gov. DeWine when it comes to what we can and can't do as a club. Per my last email to the membership, all organized club activities have been cancelled for April unless noted differently. May's activities will be discussed at the April board meeting. Club racing and our regattas will be ongoing discussions with fleet captains, regatta chairs, and most importantly our race committee, based on the governor's guidelines. I will communicate decisions to the membership via the *Cross Bearings*, email, and Remind.

Membership packets - Membership packets will be sent out in late April. We are working through some kinks with COVID-19 affecting what can and can't be done. End result: We will be reusing the **RED** 2019 key cards. New members who have not received key cards will have them included in their packets.

Spring General Meeting - We will send out an email in the next couple weeks on how we are going to proceed with the Spring General Meeting/Workday—postpone or have Zoom Meeting. If we do the Zoom meeting, an email will be sent with the Zoom meeting instructions. If you don't already have a free Zoom account, consider setting one up at <https://zoom.us/signup>. It works great for family and friends too.

Carryout available on Fridays - This year will be a tough year for the club and our members. The bottom line is that we want our members to know the club is here as a place to get away for a few minutes and get some fresh air in these trying times. Just remember: keep your distance. With that said, the Flag Officers met on this past Saturday and decided to have carryout pizzas and beer/wine available on Fridays, starting April 10. See the Carryout Bar/Pizza Menus in this *Cross Bearings*. I will send out an email with the process for ordering food and beverages, which will be similar to what is being done at other restaurants who are doing carryout.

Profile updates - While you are social distancing, please take the time to update your SSC profile. If you don't remember your password, login leaving the password blank. Then follow the prompts. A couple of the items missing or needing updating are Birth Years and whether you want Electronic Dues Statements and Electronic *Cross Bearings*.

If you have any concerns or there is anything you believe will make our club better, please don't hesitate to contact me at commodore@sanduskysailingclub.com or 419-202-0044.

You may also contact any other member of the SSC Board at SSCBoard@sanduskysailingclub.com.

Spring IS coming. COVID-19 is not stopping the flowers at the club. Let's keep the faith.

El Vicio Comodoro VC Andy Davis

Hello everyone. This Vice update will be shorter than usual, as nothing is usual at this point.

Keep your red key cards - As you likely read in Matt's update, we will continue using the 2019 **RED** key cards this year, so please keep the ones you have. I'm in contact with the vendor to order more key cards and they will be on their way very soon.

Club cleaning - We are working with our cleaning person around some specific duty changes and what is needed to move forward. There will likely be adjustments in "sanitization" around the club, as well as (if schedules allow) adjustments in days she will be onsite. I will keep you posted, but firmly believe the adjustments will be appreciated by all.

Toga Party will be rescheduled folks... so once this COVID-19 blows over, be ready. I'll keep you up to date as things evolve.

Spring meeting and workday - We still need to get some things accomplished around the club, so we will likely create a list to post at the club and send out in an email. In the interest of social distancing, please feel free to grab an objective from the list and knock it out, as once this thing blows over, we will have much to do.

Docks - The docks are here and the crane is in position! Exciting times folks. The new docks are gorgeous and I'm sure everyone will be happy to see them installed. I want to give a shout-out to the Sadler Sailing Basin Committee for their stupendous efforts in getting the new dock project completed - ahead of schedule. We are very fortunate to have a team like the Sadler team. Thanks folks and great job!

I really look forward to seeing all of you soon. It's amazing how much I miss the club members and the fun we've had. It will resume at the appropriate time. When that time comes, I am confident we will pick up exactly where we left off. Please stay safe, and I look forward to seeing all of you in the near future.

I hope everyone is doing well. By the time you get to my article, you will have read most of what needs to be said regarding COVID-19 guidelines around the club.

We are offering take-out service. This is a great way to support the club at this time. Comm. Bedee makes one of the best pizzas in town and you're not going to find more competitively priced drinks in town. Please see the flier for more information.

We're also following the official social distancing guidelines, as things change, we'll keep you updated. I'll be planning parties and getting the Galley ready for summer so as soon as we can go back to normal activities we are ready to go without a moment's hesitation.

Your Rear Commodore - The past few months serving as rear commodore have been incredible. It's been wonderful working with Matt and Andy. One of the side benefits I had not anticipated was meeting so many new people. It really has been great. I look forward to seeing everyone at the club again as soon as possible. I have been yelling "Starboard" and "Mark Room" at my dogs as we navigate between boats in the shop while working. I'm eager to see you soon on the water.

A reminder: dues were due on March 1. If you have misplaced your dues statement, the 2020 rate information and list of funds to support are available on the SSC Website. For those who haven't sent their check or paid via PayPal, you may have already, or will be, receiving a friendly reminder call from a volunteer on the Membership Committee. Thanks to all the members who have paid their dues. A double thanks to all the generous contributors to all the worthwhile club causes that need our support.

Sadler Basin CommitteePC Steve Jackson

The basin committee has been busy with several projects.

- Karl VanderHorst and Jim Brinker's project has been to replace old boards with new boards on the docks.
- PC Monty Kaufman and PC Jim Ziss have been chasing down water leaks from the meter.
- Five new docks on Springer's Wharf are being replaced as you read this.
- Commodore Matt Bedee will be walking the docks with an instrument to verify there is no stray electrical current.
- PC Mike Fishbaugh handled the repair of the dock ladders and they will be installed when the weather improves.
- Options for keeping the basin water out of the parking and small boat areas are being explored by PC Steve Jackson.

RC Boats Terry Parker

April is the final month to get our committee boat fleet ready to launch. We will be stepping up the schedule of Volunteer Workdays down the home stretch. As the weather warms, we will be attending to minor bottom painting, staining and varnishing teak on *Escort I*, plus interior painting, deck sanding and painting and hopefully getting replacement vinyl for the cockpit floor on *Escort III*. In addition to SSC Spring Workday, watch for email blasts about weekend hours and jobs needing to be completed. Once again, the inside storage has been a real benefit, allowing us to skip the covering, uncovering and monitoring (not to mention repair/replacement) of tarps and frameworks, as well as giving us the time and shelter do some repairs. As always, thanks to all our willing and talented volunteers! You help keep our racing program on solid ground (???), and ready to go.

Feel free to contact me at terryparker47@gmail.com or voice/text 440-320-3100.

Sandusky Junior Sailors, Inc Mic Kaufman / Suzanne Hartley

The power boats are ready to go. The Optis are in the loft just waiting for warmer weather. We are all looking forward to the start of sailing season.

All plans for expos, meetings and classes were canceled for the month of April. It is hoped things will be back on track by May. Information on all SJSI classes was printed in the *Cross Bearings*. Be sure and check it out, or for information on any of our programs, visit sanduskysailingclub.com

The Spaghetti/Wine Tasting fund raiser was a big success! Thanks to all of you who attended. Special thanks to the Sandusky Yacht Club for providing the food.

Remember as you pay your dues (and through out the year) that SJSI needs your financial support to keep all our programs active. Thank you for all you do!

Adult Keelboat Instructors - SSC and SJSI are working on expanding our Adult Learn to Sail programming and are looking at becoming a certified center to teach ASA's basic keelboat program. The ASA basic keelboat and additional ASA ratings are recognized internationally and are the most common accepted ratings to charter boats on vacation worldwide. Before we can proceed, we need instructors certified to teach the program.

Any member interested in teaching would need to attend a three-day Instructor Qualification Clinic conducted by ASA, either at SSC or at a nearby location. Qualified instructors are paid. So, while it can be fun to teach adults how to sail, it can also be a way to earn additional income while you do what you love doing.....sailing.

The basic keelboat training program for neophyte sailors involves 15 hours of instruction, over two or three days. If you are interested in learning more about how you can help train new sailors (and potential new SSC members), please get in touch with Mic Kaufman at learn@sanduskysailingclub.com or 419-370-6642.

News from ISCA Fleet No. 1..... Bernie Ashyk Interlake Sailing Class Association's 2020 National

Championship. Sandusky Sailing Club, birthplace of the Interlake, is proud to be hosting the Nationals, again. This series of races will begin with measurement on July 14 and 15. The Women's and Junior racing will be on July 15, followed by the Championship and Challenger races on July 15, 16 and wrapping up on Saturday, July 17.

SSC Trustee Danny Olson - dannyolson2007@gmail.com, is chairing this prestigious event. Danny will need our membership to help on the various committees. Please keep these dates open and plan to lend a hand on shore or on the water. Further details for opportunities to volunteer will be forthcoming.

Cruising Fleet..... Mark Swabley

The 2020 Leamington Sail-Away is Friday, June 12 through Sunday, June 14. This is a great way to start the cruising season and we welcome new members to join us for this trip. Skippers Sheryl Hoffman and John Wiggins will be coordinating dockage and Friday evening cocktails and appetizers on the dock.

Leamington Municipal Marina www.learmington.ca/marina dockage fees are \$2.25 ft. plus tax (Canadian). We currently have 12 docks reserved. Plan on a Friday morning departure from SSC. There will be a BYOB and shared appetizers at the dock upon arrival of the fleet. Stay tuned for more on social activities for the weekend. Saturday day is on your own to explore Leamington by bike, hike, kayak or taxi. Our return sail is on Sunday. Due to Sheryl's schedule we will not be coordinating the Pelee Island sail as in past years. The fleet is welcome to carry on this tradition; if anyone is willing to take the helm on this, please let us know.

IMPORTANT: Customs check-in is no longer available at Cedar Point or Put-in-Bay. You must have the CBP Roam App on your phone or tablet unless all of your crew

Youth Sailing Classes

Presented by: Sandusky Junior Sailors

The Sandusky Junior Sailors goal: is to promote water safety and an understanding of water activities through classroom instruction and on water experience.

Learn to Sail

A typical day:

Morning weather brief, this describes weather advantages and disadvantages of the day. **Skill lesson(s)** what is going to be taught that day. **Rigging**, Putting the boats together, this requires teamwork and coordination from the class to complete the goal. **Sailing!!!** Then **de-rigging**, taking the boats apart and packing everything away cleaned and organized. **Daily recap**, discussion of what we learned and enjoyed. **Dismissal**

Bad weather days:

Yes we have awesome activities planned for when Mother Nature needs to water the plants. We have safety procedures in place if severe weather does arise. The safety of our students is our number one priority. We want them to be safe and have fun while they learn with us!

Skill level Instruction based:

No matter what age or skill level the individual has we work our hardest to teach to their level in the class. We pride ourselves with teaching with all three types of learning; *Visual*, *Verbal*, and *Kinesthetic* with our lessons. Sailing can be a very active sport, so we are always on the move. We understand that everyone learns differently and we truly enjoy watching the light bulbs turn on.

Students are invited and encouraged to participate in as many sessions as possible. This helps them by building on what they have learned in previous sessions.

Discover Boating:

This is a class for children ages 10-16. Participants will be instructed in power boats, kayaks, paddle boards, canoes and sail boats. Power boat instruction for those under the age of 14 will be done on a simulator in conjunction with the Sandusky Power Squadron.

Community Sailing:

This is a 2 hour tour for youth who might be interested in sailing and want to get just a taste! This is offered in two sessions each day indicated on the schedule. The AM session is 10-12 and the PM session is 1-3. Children will receive an introduction to sailing and experience sailing with a certified instructor.

Scholarships and tuition assistance is available

Adult Learn to Sail Course

These on-the-water classes are done in the protected waters of Sandusky Bay, the Sailing Center offers the ideal learn to sail program and location.

Thursday Evening Drop-in Sailing:

These classes are perfect for those who live nearby and want to enjoy the beautiful evenings on Sandusky bay.

Drop-in Sailing

\$60 per person per night

Weekly Sessions: 7p-8:30p

Class runs June 6- July 18

Please RSVP by Wednesday before the class to verify if class will be run for inclement weather.

Weekend Classes:

US Sailing Basic Keelboat Course

\$395 for course (4 person cap)

Two full days of on-the-water instruction

(Dates to be scheduled with the instructor)

This is a total of 15 hours of instruction over the course of two days.

Students have the option to schedule classes over the same weekend or break it up over two separate weekends.

Individual Lessons:

\$50 per hour (2 hour min.)

Lessons are on Sailing Center boats, unless private vessel instruction is requested.

Make-up Days:

If the weather is poor and we are unable to sail, we will gladly schedule an alternative date!

Sandusky Sailing Center is located in Battery Park at the corner of Meigs St. and Water St.

All class segments take place aboard one of the two keelboats a J24 or Colgate 26. Both boats are tiller steered sloop rigged. Students are responsible for providing their own USCG approved PFD's and must wear closed-toed, non-marking shoes. Regardless of which course option you choose, you will learn/practice the skills and acquire the knowledge you need to confidently skipper and day-sail on Sandusky Bay.
