Grabowski for the great German food they provided. Your efforts are appreciated and help make SSC a fun place to be.

Dairy Bar scheduling - I would also like to salute John and Marcia Giordano for scheduling the volunteers in the bar. You guys are doing a great job. If you're interested, please contact Marcia to get your name on a list of volunteers.

I-LYA Area E Semi-Finals - If you were around the club last week you would have noticed we hosted the I-LYA Area E Semi-Finals for the Bemis and Smythe Classes. Thanks to Jay Austin and all the volunteers who made that event a great success.

I hope to see lots of activity around the club and good luck around the buoys. If you have any questions regarding SSC operations, please feel free to ask. I can be reached at weatherlyboatworks@gmail.com

Sandusky Vice VC Hank Boissoneault

As we move through summer, the clubhouse is full of activities from Sunday morning Bloody Marys to Wednesday night racing, Friday night dinners and everything in between. As I write this, I am reminded of all the volunteerism going on at the club. I always hate to name names for fear I am missing someone. However I feel I must acknowledge a debt of gratitude to two individuals who have made an obvious difference to the club. Art Averell and Bill Fanning have both stepped up in major ways improving the overall grounds of the club. Art has worked like a madman, shifting parking blocks, meeting contractors, taking out trash and more than we all know. Bill has closed up the northeast end of the clubhouse

Message from the Commodore...Wes Blazer

I hope everyone had a nice June. It's been a great beginning to the sailing season. Seeing everyone at the club on Wednesday nights and Sunday mornings for racing is one of the joys of being part of the bridge.

Membership cards - We will be sending out membership cards in PDF form via email very shortly; we have decided to keep the green gate cards for the remainder of the year. We will switch to the new cards in the spring. We have ordered more of the green cards to get us through the remainder of the year.

Friday nights at SSC are going well. I would like to thank Mike and Beverly Haase for cooking a great meal of Philly Cheese Steaks. I would also like to thank Elmar and Sandra

A steamroller smooths out our new parking lot.

porch that has sat open awaiting speakers for several years along with volunteering for numerous other jobs. So, to Art and Bill and all the others changing trash bags, dispenser holders and general care of our facility, I say **Thank You** for your silent care of the club.

Recent work and repairs have taken place with the bathroom air conditioners. In the middle of June's hottest days, our air conditioners were struggling to keep the restrooms cool and dry. Thanks to the kind individuals for pointing out the issue; we were able to get them fixed after two attempts. With a red winged blackbird blocking the units, we managed to clear the drain lines and clean out the filters to enable them to function as normal. Hopefully we are good for the balance of the summer.

Linda Goins and her daughter continue to keep our facility clean in between activities. She truly takes pride in her work and cares about the overall cleanliness of the club. She comes in at 4:00am or during the day to avoid any interruptions from club activities. Should you see her or her daughter, please say hello and give her the appreciation she deserves.

Mr. Craft Beer - We recently had a retirement of our Craft Beer Expert, PC Mark Gross. Since he was in the chairs many years ago, he had taken on the task of stocking and rotating Craft Beer choices for the club. Meeting delivery drivers, stocking shelves and cleaning taps - his efforts were once again silently done. So, to Mark I say **Thank You** for your many years of service and for providing us with outstanding choices for the bar!

Bartenders - As we move forward, I must also thank Marsha, John, PC Andy and Cinda for their continued work in the bar area. From driving for beer pickups, to scheduling bar workers, cleaning and stocking shelves and all the other activities. To all the volunteers running the bar on any given night I also must say **Thank You**. I hope when you are buying a drink or conversing with the folks at the bar, you'll tell them thank you as well.

In terms of grounds, we are always blessed to have our volunteers taking care of flower beds, blowing away leaves, fixing dock boards and numerous other activities. Without you the club would fall in disarray. Volunteerism and the people doing so is what makes our club so special. When you're on the board, you realize how much help you are getting and it's awe-inspiring to say the least. **Thank You, Thank You!**

As always, should you see a project that needs attention, please let me know. We'll make every effort to get it corrected ASAP. I am always open for suggestions and hope to make the club a great experience for all. Call me at 419-357-1044 or email ViceCommodore@SanduskySailingClub.com. Thank you. VC Hank Boissoneault.

Friday Night Feeds - As we get into the month of July we're also getting back to Friday Night Feeds; thank you to all who have volunteered to step into the galley and provide meals for us all. As a reminder, if there is a Friday you are interested in volunteering for, please let me know at huffman.jason@gmail.com. Currently we have every Friday covered until July 29th!

Club events - Please remember to keep up to date with club events on the online calendar. As we move through July and into August, we will be making up for it with a number of events in the coming month.

July 23rd will be the I-LYA Opti Championships.

If you are able to volunteer at any of these events please contact either regattas@sanduskysailingclub.com or huffman.jaasn@gmail.com

As always if you are interested in hosting an event or have an idea for a party please share your thoughts as we are always looking for new ideas. I would appreciate the help and enthusiasm as we move through the sailing season. Please contact me at 614-940-1565 or Huffman.jason@gmail.com.

Sadler Sailing Basin Committee....PC Jim Ziss

We have been busy this month and club is looking better.

Dock upgrades - PC Mike Fishbaugh and company have been busy finishing the docks upgrade and repair.

New weather station - Russ Krock has issued instructions on how to go on line and use the new weather station.

The asphalt repair project is finished; come take a look. Thank you, Art Averell, for putting the parking blocks back where they belong.

West wall repair - PC Peter Grant is refining proposals for the repair of the West wall.

Fender boards - We are working on improving the installation of fender boards on your dock. On the sailing club website there is a Fender Board Order Form to fill out and send in.

High water defense removal - There are plans to remove the sand bags and 2x12 lumber wall. They have served their purpose and with the lower water level they are not needed.

If you see anything that needs attention at the basin, contact me at jimziss@gmail.com

Sandusky Junior Sailors, Inc...Suzanne Hartley/ Mic Kaufman / Michelle Gilboy

Learn to Sail - A Jr Keelboat class was held the week after the 4th of July. The kids did very well in the Colgate 26. There are still a few spaces left in the Learn to Sail sessions. Advance camp is filling up; remember permission of the instructor is required.

RaceTeam - The race team has seven members. One sails a Laser, two are in a 420 and five sail Optis. The Laser and 420 will be participating in Area Es and Junior Bay this month. Optis will be participating in the Opti Championships July 23. We are looking for volunteers to assist on water as safety boats as well as shoreside/galley help. Contact Michelle at 419-871-8080 for details.

Adaptive Sailing - Six events are planned this season with The Link, and OVH and Christie Lane are working on coordinating schedules. Contact Michelle if you are interested in helping.

Community Sail - Community sailing was offered July 5-7 in partnership with Sandusky City Schools and Sandusky Parks and Recreation. The weather was a bit uncooperative but we utilized the simulators to fill in when weather wasn't on our side.

Sails to Sea Bags - We are still collecting sails for Sea Bags if you have any old ones still laying around.

Communications Committee.....PC Matt Bedee

Communication w/ Membership - If you want to have an event added to the calendar, information sent to the membership via email, or a message sent via Remind, please send to webmaster@sanduskysailingclub.com. This will get it to the right people to get it done. Sending it to one person will delay getting it posted or risk not getting it posted at all. Make sure to include what you want to be said, any graphics, etc. Those who get the email will copy exactly what your correspondence said to make the posts or Calendar Event, so make sure to spell check.

Remind - If you have not signed up to get messages via Remind, please text @sailsand to 81010 to get Remind Announcements. Remind is used to get last minute announcements out to members and currently we have about 170 users on Remind. You can download Remind for Android and Apple devices, then set up an account if don't have one.
