From the Helm Comm. Jason Huffman

Thistle Great Lakes Championship - This month, I had the privilege of welcoming the Thistle class to SSC for their Great Lakes Championship, which included a number of our own members sailing in challenging conditions both days.

July 4th for Commodore's Day - As we come into July, we would like to welcome all members to the club on July 4th for Commodore's Day. In a slight break from tradition, we will not be holding a potluck. The club will be providing all of the food as a thank you for all of the volunteer hours that keep our club running smoothly and allow us to put our best foot forward when we have visiting regattas.

Opti Class - The end of July will bring the Opti Class to the club from July 22 until July 30. If you are available any time during these dates and are willing to help out, please let the Bridge or Board know as we will need a club effort to ensure a successful event.

Thistle Great Lakes Championship - It's July and our first regatta has just completed. The weather didn't cooperate as we'd like, but all our guests seemed to have had a great time and were appreciative of the club. Thanks to the many volunteers who help make this a success.

Opti Nationals - Speaking of regattas, this month we'll host the Opti Nationals. This will be a big event with many opportunities to serve the club. We'll need folks around the club to help direct folks, parking, on the water, galley and all aspects. If you've not signed up, please visit <https://www.signupgenius.com/go/10C0B4AA4A929A2F85-50068826-opti>, e-mail the bridge or sign up at the dairy bar.

On the house and grounds front, we've had the couch in front of the fireplace recovered and are working on the other two couches by the windows. Those will be complete and returned by the time you read this. We've had a couple of other small repairs brought to our attention and we're working on those. But if you notice anything that needs addressed, please consider taking care of it and if it's out of your area of expertise, let me know and I'll get it addressed.

Tree removal - Also, there is a small tree by the clubhouse gate that has not leafed out this year and needs to be removed. If someone has a working chainsaw that would like to take care of this for the club, it would be appreciated. Just let me know and we can sort out the details and get you some assistance.

On the bar side, things are off to a good start for the season. Wednesday and Friday nights have been well attended as has the Sunday Morning Bloody Mary Bar. That said, we have had an increase in our costs for mixed drinks and draft beers. While we prefer to make price changes before the season starts, we need to adjust the amount you'll be paying for those items this month. We'll be raising the price of a mixed drink from \$4.00 to \$4.50 and the price of draft beers from \$4.50 to \$5.00. All other prices will, for now, remain the same. We'll make this adjustment the Wednesday after the upcoming holiday weekend, so July 10.

As always, if you have ideas or suggestions, send me a note. VC John Giordano, 205-903-9257, Boiler.John85@gmail.com

View from the RearRC Tim Willford

As we sail into July, we've got an exciting agenda lined up that's sure to keep our spirits high and our sails full.

Friday Night Feeds - First off, we're thrilled to announce the continuation of our beloved Friday Night Feeds throughout the month. Join us for delicious meals and great company every Friday evening!

Opti Nationals Regatta - In addition to our regular festivities, July will be a bustling month for volunteers beginning with the Opti Nationals Regatta.

A huge shout-out to all our June Galley Volunteers:

- Nick Skaggs
- Dennis Butts & Crew
- Laura Hayes
- Andy & Cinda Davis

Thank you for your hard work and commitment to keeping our club vibrant and welcoming.

Volunteerism - Let's not forget the spirit of volunteerism that runs deep in our community. From the smallest tasks to the biggest undertakings, every contribution matters. Whether you're helping out in the galley, lending a hand with maintenance, or cheering on our young sailors, your efforts make a world of difference.

Keep up the fantastic work, everyone! Together, we'll make July a month to remember.

Please feel free to reach out to me, tim@tendesign.us.
I would love your help!

Longer docks - We are looking at adding 35 foot docks to the end of B Dock. This would be a winter project. There's a demand for longer docks which we are trying to meet.

Dock posts - We are currently replacing dock posts. Let us know if you have any concerns about dock posts or batter boards.

The members of the Sadler Basin committee for 2024 are:

Doug Klein, PC Pete Grant, PC Bryan Huntley, PC Bruce Roberts and PC Dean Riedy.

Please reach out to any of us if you have concerns or questions about your marina. We are all here to make SSC a great place to dock or drysail your boat.

Learn to Sail is up and sailing! Sessions 4 and 5 are full with a few slots open for advance camp. Advance camp is for those sailors that are intermediate or better sailors who want to improve their skills. Permission of the instructor is required.

Community sailing for ages 5-13 is offered July 1, 2 and 3. Registration is through Parks and Recreation. Three sessions are offered for each age group with 45 minutes of sailing and 45 minutes of shore activities. These sessions are offered at no charge to the participants.

Adaptive sailing has 13 events scheduled for the season. Participants are from OVH, REM Ohio, CLI and Linc. The Corsair is used for these events helmed by Dan Brelia assisted by Jim DeLamatre.

Sea Bags has picked up the donated sails. Learn to Sail will accept donations for the Fall pick up. Thanks to all who donated sails.

Thanks to all members who have stepped up to help us run our programs. Learn to Sail is the future of the Sailing Club.
