Message from the Commodore..... Comm. Hank Boissoneault

The Memorial Day Celebration was a huge success and a great way to start off the summer at SSC. With near perfect weather, we gathered to honor those who have served and to those who have passed before us. Led by Paster (and PC) Monty Kaufman, it was a deeply moving ceremony with the culmination of the blessing of the fleets. A potluck lunch followed and was one of the nicest attended in recent memory. The food was plentiful, and the atmosphere was festive. A huge THANK YOU go out to RC John and Marcia Giordano for the pulled pork and the excellent potluck.

Terry Kilpatrick - It is with the deepest sadness that I must report the passing of the longtime Interlake builder, Terry Kilpatrick. He was an SSC member, and a dear friend to the sailing community. His Interlakes grace our parking lot and will for many years to come. There will be a Celebration of Life ceremony on June 11 from 11:00am-3:00pm at The Premier Funeral Home, 4480 Heatherdowns Blvd, Toledo.

Tim Wolford - On a positive note, I wanted to update you on our dockmaster's progress as he was having some health issues. Tim's recovery is going well and is due to be discharged on Monday, June 5. He is eager to get back to a normal routine and cannot wait to come down to the club. We look forward to seeing Tim and Stella back at the club soon!

Club gate cards - Here is an update on the gate and club house card keys along with a welcome letter: At the time of this writing, a welcome letter has been prepared and sent out to all the members. On June 6 we move from green to grey cards and all the access points will be changed over. If you have not received gate/club cards, please contact me directly and I will be sure to get them out to you immediately.

Battery Park Marina/Marous Brothers Construction presentation - On June 15, Battery Park Marina and Marous Brothers Construction, will make a presentation to the membership of the Sandusky Sailing Club. The presentation will revolve around the future development of Battery Park and how it will affect our properties. It should give us a clearer understanding of timelines and expectations. Please put on your calendars and attend if possible or watch on Zoom. Time will be 5:30pm.

Some upcoming dates to keep in mind:

Snipe Nationals - At the end of the month, we will be hosting the Snipe Nationals from June 26 to July 1. Volunteers are needed for the event. If you're able to help, please let us know.

Commodore's Day Brunch on July 4. It's my intention to have a morning fun race within the basin to be followed by brunch at the clubhouse. More details on this as we get closer.

August will bring in J/24s for the North American Championships. Dates are Aug. 8 to 12.

Sandusky Islands Race will be Aug. 25 and 26. We'll celebrate our 90th year along with the historic Sandusky Islands Race. With two nights of live music and fantastic food with a little racing thrown in, it will be an event to remember. It's a celebration of our club and its members. Please keep that in mind on your calendars.

Time at our club - I've had the opportunity to spend more time at the club for various meetings and appointments. One thing I have noticed is that there are members who are taking care of the club without asking. After the Memorial Day celebration there were volunteers cleaning up the kitchen, trash was being pulled and emptied without the encouragement of others. I noticed one long-time member

cleaning up fish along Springers Wharf. Another member went out of his way to fix a hoist issue. There are members cleaning up the pavilion and making sure things are in order. I had another member notice unusual activity within the clubhouse and politely took care of the situation. Our committee boats look beautiful, and our race management continues to provide top-notch racing that is the envy of other clubs. Oh, and how about Doug's Place and our team of bar tenders? With a welcome smile to greet you for whatever libations you are looking for. Please remember to tip them. To all of you quietly taking care of our beloved club, I want to say THANK YOU. It may appear that it goes unnoticed but that is not the case. One bit of house cleaning is that we ask you to please turn off your hose at the spigot. And all boat trash should be deposited into the large dumpsters on site rather than in the club trash cans.

In closing, I would like to thank you for your membership and support of the club. If there's anything we can do to make the club a more enjoyable experience, please do not hesitate to let us know. Hank Boissoneault 419-357-1044

House and Grounds VC Jason Huffman

Annual fees - As our season gets into full swing it's good to see the sailing basin filling up. Please make sure you have paid all dockage and dry storage fees.

Snipe Nationals - This month we will be hosting the Snipe Class US National Championships June 26 - July 1. If you are able to volunteer this week please contact anyone on the Bridge or Board. We need the entire club's effort to ensure we are putting our best foot forward for a first-class event.

Caution - With the summer months comes a much busier club, additional foot traffic, and children playing. Please be mindful when driving through the parking lot.

If you see anything that needs to be addressed please let myself or any member of the Bridge know. Call/text 614-940-1565 or email me at huffman.jason@gmail.com.

View from the RearRC John Giordano

The season has officially kicked off with the Memorial Day Service/Blessing of the fleet. There was a great turnout and, on the last count, 100+ were in attendance. I want to thank all of those who brought food to the potluck to share. There was enough that we had to set up extra tables to hold it all.

Friday night feeds are also off to a great start and have been well attended. Thanks to the many members who have offered their time to serve. We do still have several openings for Fridays over the summer, so please speak with Marcia or me to sign up.

Summer Bar hours have begun and the Dairy Bar is now open Wednesday evenings, Friday nights and the famous Bloody Mary Sundays are back. We would like to have bar hours on Saturday evenings as well, but help is needed from the membership to accomplish that. If you'd like to work a Saturday evening, it's a low-key opportunity to meet and chat with the other members and hear some great sailing stories. Please reach out to Jason or Marcia if interested in tending bar on Saturdays or any time the bar is open.

Since the season is off and running, a couple of housekeeping items:

1) Ohio Health regulations do not allow us to keep members' personal items in the Galley. Storage in the Galley's refrigerator and freezer is for the Dairy Bar and Galley only. Please refrain from placing items in these areas. Any personal items found will be disposed of without notice.

2) The Bridge appreciates that members are taking time to spruce up the club. However, we ask that when putting items in the dumpster that we place them in bags and tie them. This will help keep the air around the club fresh and tolerable.

Finally, the club calendar is the place to find information on the summer's many events. However, last-minute changes and weekly reminders will be communicated via e-mail and the Remind Texting Service. If you are not receiving these weekly notes, please ensure that your information on the club's website is up to date and that you sign up for Remind. To do the latter please text @sailsand to the number 81010. If you have done both and are still not getting the notices, please let me know.

As always, if you have ideas for a club activity, have a suggestion or would like to volunteer for any event, send me a note. My contact information is John Giordano, 205-903-9257, BoilerJohn85@gmail.com

Thank you, PC Roger Fair, for this great photo of our newly repainted *Escort I*.

A huge thank you to Art Averell and PC Wes Blazer for helping me finish painting the cabin top and decks. Jim Keane also lovingly refurbished the Steel Clipper emblem and wood mounting board. It looks amazing.

Escort III will be ready for her make over soon.

I NEED HELP.

Sadler Basin Committee PC Pete Grant

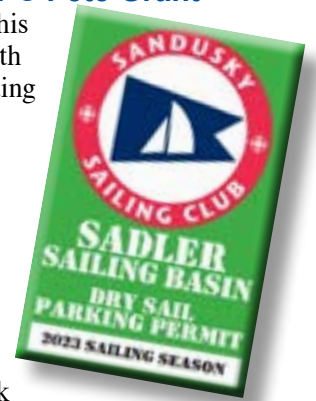

We are ordering new gate cards for this year and the cards are gray. Check with a member of the Bridge regarding getting updated cards.

The mast hoist is fixed and fully operational. The bearings were a unique size and had to be special ordered. Riley Boyz, who does our other hoist work, was able to order the bearings and get them installed in a relatively timely fashion. Maybe a little too quick for Commodore Hank and his Melges mast.

We have had all the fire extinguishers checked and new boxes are being installed as well. This work should be finished within a week or two.

Dry Sailers - You must have a green sticker on your dolly or trailer to be in compliance and good standing with the club. Dry sail boats not having a green sticker have not fully paid their dockage and must be removed from the club grounds. Sadler Basin Committee members have the green stickers if you have paid for dry sail dockage and haven't received your sticker yet.

If you don't have power at your boat it may be as easy as a tripped breaker in the fuse box at the end of your dock. If you are not comfortable checking this, ask a member of the Bridge or Sadler Committee for assistance.

Moseley Channel Challenge

*The thrill of racing
at your pace and
on your schedule*

- Start between buoys R"14" and G"13". Sail the Moseley Channel trapazoid (once around) either the RED or GREEN course. You must pass thru the sets of buoys as described in the course.
- Sail anytime you choose between June 1st and Oct. 31st. Record your date and elapsed time. Email it to eric@artdpartment.com.
- Cost is \$20 for your first time turned in. Fastest corrected time wins. You can turn in more than one time. Turn them all in, we have more prizes. Open all classes (i.e. PHRF, JAM, Multihull, Interlake, Cruising, etc.)

**CAN BE USED
AS A COUNTER
IN YOUR PHRF or JAM
HOME SERIES**

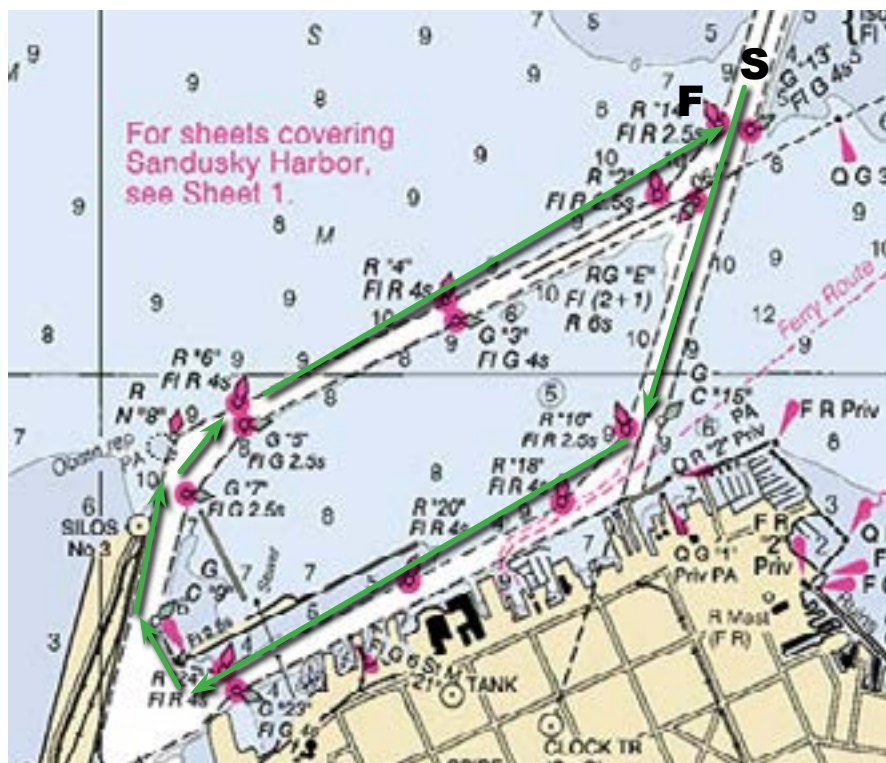

RED COURSE:

- Start** between (R"14"/G"13")
