

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

Commodore's Comments..... Comm. John Schwartz

This newsletter is somewhat late because I am an epic procrastinator. If anyone is inclined, I would encourage you to check out a website that I like: www.despair.com. It is a business that seems to have sprung up making fun of corporate motivational posters. It features really pretty pictures with strong font underneath. I have a few favorites, which I will be happy to share at length at the bar if anyone is interested, but one of the more appropriate ones for me is, "A stitch in time might save nine, but procrastination pays off right now."

On the up side, recent studies show a correlation between waiting until the last possible minute and creativity. So, my tardiness is really just my way of helping PC Winkel be more creative. You're welcome, Eric.

The Sadler Basin Committee has a fair amount going on. By the way, we need to add another member to the Sadler Committee board. I do have a short list to work from, but if you are a 10-year member and a berthholder and interested, please let me know. This is a very important committee. I believe that the SSC social club is the heart of our community, but the marina operations are where the big money gets made and spent.

I know that PC Muhn has done club history presentations in years past. It's enlightening and I would encourage

members to ask him about that history. The SSC Board has authorized a few significant things over the past two months in regard to Sadler.

First, we gave the Sadler Committee more authority to spend money on marina expenses without having to wait for board approval.

Second, we've committed to purchasing four 40' docks to replace four 35' docks that no longer float. We are not changing the location of the docks at this point, so the width of the berths with the new docks is slim for a 40' dock. At some point, we'll end up with enough longer docks that it will make sense to redo the water and power to accommodate wider berths, but that won't happen until Comm. Andy's watch.

Repairs to Springer's Wharf are underway as well. If you've been down to the club, you've noticed that Tim has chained off Springer's so cars can't access it while the work goes on.

Other items of interest at the SSC Board meeting--

SSC granted free dock space to SJSI (Sandusky Junior Sailing Inc.), the 501c3 that manage Learn To Sail, Adaptive Sailing, the Sandusky Junior Race Team (SJRT), and other community outreach programs.

Also, there was a significant amount of discussion about SSC's St. Patrick's Day party that Jay Austin is chairing again this year. Terry Parker and a number of SSC volunteers have been doing a full reconditioning of one of the race committee boats this winter and there is interest in having the party proceeds be specifically designated to RC boat repair expenses.

That led to a good discussion about such things as the cost/trouble of managing restricted donations, and also that it seems likely that many people don't know how the club really spends its money. When you make a donation to the general operating fund, SSC spends that money on things like RC boat repairs, Junior Sailing, social events, etc.

I hope people come out to support these events and others, because they are fun and they are vital for SSC's future.

If you missed RC Davis' Wine Tasting event, you really missed some good food and drink. Scuttlebutt is that Andy's still scrubbing sauce off the ceiling.

My final update is a change in SSC policy related to Wednesday night racing and Race Committee. It's easy to take for granted because the RC makes it look so automatic, but SSC is blessed with an extraordinarily diligent and qualified Race Committee. However, they need help to keep delivering the same quality and frequency of racing we're all proud of.

SSC's new policy is that ALL participants in Wednesday night races will have one assigned Wednesday during the season to help the Race Committee and perform galley duty. Your boat will not race that night and will be assigned your average score for that series. However, if a boat doesn't show for their scheduled service, that boat will be disqualified from the series. I'm sure that other racers and the RC will work with you if dates need to be swapped, etc.

This started last year and by all reports was positive, so this year the board, fleet captains and Race Committee felt that the best way to continue was to make it a consistent rule applied to all racers. Many hands, light work.

That's all I've got for this month. I hope to see you all around the club at one of RC Davis' events. Stay warm.

If you want to contact me, feel free to contact me at Commodore@SanduskySailingClub.com or at 419-706-5137.

El Vicio Comodoro VC Matt Bedee Yearbook – Look for the 2019 Yearbook Advertisement Form in this month's *Cross Bearings*. We will continue to support the exposure for the yearbook sponsors - including a directory of advertisers in the yearbook and in the member section of the club's website. Not to steal a line from Commodore Schwartz, but I will: The yearbook is still cheaper than placing an advertisement in a typical school sports tournament brochure. Members look at the yearbook and website all year long. So, if you have been a yearbook advertiser in the past, we would appreciate your support again this year. You can email the advertisement form to yearbook@sanduskysailingclub.com.

Workday/Spring Meeting – Finally, this year's workday will be Saturday, April 13 @ 9am — General Meeting followed by the work session followed by lunch. With Easter so late this year, it's going to be hard to avoid all Spring Breaks, but we are missing Easter. Several of us will spend some time in the afternoon working on the Wi-Fi to get the outdoor antennas back up and running.

Highlander Nationals – I am chairing the Highlander Nationals on July 13-18 at Sandusky Sailing Club. I will need everyone's help to make this a success as is par for regattas hosted by SSC. If you are interested in volunteering for the Highlander Nationals, please contact me using my information below. I appreciate the support that I know I will get from our club members and Race Committee members.

Credit cards – are in their second year at the Dairy Bar. There has been a cost to the club to use the cards, but I don't believe it has outweighed the benefit for members. The only change this year will be a \$10 minimum to use your credit card at the Dairy Bar, which is typical for many small businesses to help decrease costs on individual small purchases.

Sailing Simulator – Don't be afraid to use the Sailing Simulator while you're at the club. If you need to be shown how to use it, stop by on a Winter Wednesday.

Contact me – Please feel free to email questions, comments, or suggestions to ViceCommodore@SanduskySailingClub.com or call/text me at 419-202-0044.

Views from the RearRC Andy Davis

Winter blahs/Winter Wednesdays – The fire is always warm and toasty, and certainly, the libations are enjoyed by all. I would highly suggest you try to make it to the Winter Wednesdays, as they are truly enjoyable. Each Winter Wednesday will have a slightly different offering in terms of munchies and if you are anything like me, you're ready to do something with your sailing compadres. We have the Sailing Simulator in operation and it was a blast... come give it a try.

The remaining dates for Winter Wednesdays are: Feb. 27, and March 6, 13, 20 and 27. There will occasionally be folks who have never been to the sailing club, so please try to make a few Wednesdays to interact with those who are simply getting the feel for our club and members. We will start at 5pm on these days for those who can make it and food will be available around 6pm. Come and enjoy the fire as well as a selection of beverages from the Dairy Bar, and some snacks.

St. Patty's Day at the Sailing Club March 16 – It is true that St. Patrick's Day is just around the corner, so no better time to have a St. Patty's Day Party with all the fixin's (Traditional corned beef and cabbage dinner, potatoes, appetizers in St. Patty's Day fashion, and of course dessert, all for a nominal cost of \$20, with profits going towards the "RC Boat Repair Fund"). The Dairy Bar will be serving all of your favorite Irish concoctions including Guinness, Bass Ale, GL Conway's, Killian's and of course, an assortment of Irish whiskeys. Jay Austin has been gracious in chairing this event so we know it will be a "smashing success." Thank you Jay. It is critical that you RSVP to Jay Austin at: jaustin6@kent.edu by March 2.

Spaghetti Social and Wine Tasting – The annual wine tasting, accompanied by a home-made spaghetti dinner occurred on Feb. 23. Saturday was full of cutting veggies, cooking meat, and a host of “spice.” We were able to serve both a vegetarian sauce and a sauce filled with sausage and Italian meat balls. Overall it went well, with the exception of my inability to keep up with the initial line in terms of spaghetti needed. After the initial rush, we got better.

Jerry Ervin, a SSC member with Heidelberg Distributing, supported the wine tasting – thank you Jerry. He had a variety of fabulous wines and we did leverage the vast majority of the club’s wine glasses. We had some folks from outside the club attend which was very exciting. Clean up was a team effort... illustrating how great our members are; thank you all.

Sunday Funday – As a broader initiative, my goal in 2019 is to revitalize the Sunday races for big boats as a vehicle for new sailors to enjoy and learn about sailing. We already have broad participation from the Interlake Fleet on Sundays, which illustrates our love of sailing. I will reach out to folks in regards to big boat participation on Sunday mornings, and ideally making your boat available to include a new sailor or two for those fun races. Following a fun sail on Sunday mornings (perhaps some Bloody Marys; I know Tim makes a great one) there is always enjoyable banter and ideally, SSC can become a Sunday destination for all those who wish to learn, and ultimately join as a member.

Upcoming events – The 2019 social schedule continues to evolve, but I need your input. What do you think would be a great event? Is there interest in a specific event? A holiday party, or even something a little more low key? What have been the best events over the years that you look back on and say, “That event was a blast and I wish we did it again!”? I have received feedback from some, but need and would appreciate your feedback. Let’s make 2019 the year we all look back upon and agree, that it was a year of years....

In short, my vision is continuing to build SSC into the premier sailing venue on Lake Erie. I see that vision as a journey, not a destination. I have been visiting with several member committees, including Membership and LTS and am working to ensure each specific event or gathering is aligned with longer term strategy and growing the love of sailing. — Thanks everyone.

Contact me – Please feel free to email me with questions, comments, or suggestions at RearCommodore@SanduskySailingClub.com or on my cell at 262-202-1372.

A note from the Treasury Bernie & Dave
Thanks to all who have generously contributed to the various funds included on the dues statement! The club and SJSI appreciate your donations. Please be aware that dues were due by March 1. Punctuality is a virtue and your dues are needed to support the day-to-day operations of our club. The PayPal function on the website is now in service and updated for 2019.

Regatta Committee..... Jay Austin
The summer of 2019 just got a little busier and more exciting! SSC will host the Highlander Nationals July 13-18. The Highlander dinghy is a 3-4 person, 20’ day sailor. The five-day regatta will include a day of measurement, a women’s and junior championship, and the four-day National Championship. It will be great to get a national event back to the club after having an off-year in 2018. As with all these large scale regattas, it will be all-hands-on-deck to host a fantastic event for our guests. Our VC Matt Bedee has graciously stepped up to chair the Nationals. He will be getting more details to us in the coming weeks.

After we meet with the fleet representatives later this month, we will start getting regatta management committees together. If you are interested in chairing a committee such as meal planning, facility management, launch and recovery, accommodations, etc. please contact Matt. We need organizers and plenty of “do-ers.”

These types of regattas produce great profit and PR for our club, so let’s support our tradition of outstanding small boat racing on Sandusky Bay!

2109 SSC regattas:

- June: One Design Regatta
 Thistle Lake Erie District Championship
 Sandusky Islands Race/Stein Hospice Cup
- July: Highlander Class National Championships (July 13-18)
 Sandusky Bay Portsmouth Regatta
 SJRT Traveler Series Regatta
- Aug.: I-LYA Deepwater/Steeplechase
 Kelleys Island Moonlight Race
 Funday Pursuit Race to PCYC
- Sept.: J/24 District 12 Championship

Of course, please remember all the Wednesday and Sunday races that are governed by our excellent group of Race Committee volunteers. They’re always looking for help too!

Please let me know if you are willing to chair any of these regattas. We are ALWAYS looking for volunteers to help in the planning process. Feel free to contact me at 330-351-0283 or regattas@SanduskySailingClub.com.

Operations Tim Kyle

The next meeting of the Sadler Basin Committee will be Monday, April 1 at 7:00pm. Even though we don’t officially meet during the winter, we continue to work on improving our basin. If you have ideas or questions, do not hesitate contact the Sadler Basin Committee at SadlerBoard@SanduskySailingClub.com.

Feel free to contact me with marina or clubhouse concerns at manager@SanduskySailingClub.com or call 419-656-5881.

RC Boat Committee..... Terry Parker

Things have slowed to a crawl with the low temperatures in February. Epoxy, adhesives and paint don't like it cold. As of Feb. 17, we are "dry-fitting" the new plywood for the roof of *Escort 3*. Come warmer weather, there will be lots of painting and re-fitting to do. We will likely need to increase the number and frequency of our work days to get ready for spring launch. We'll send out email blasts to notify club members of that schedule when it is decided. In the meantime, if you're interested in helping but aren't currently on our email list, please contact me. I'm grateful to report that to date, 20 different club members have been involved in volunteering to get our committee boat maintenance program back on track. There will also be opportunities after the boats are launched in the spring. Thanks SSC racers!

RaceCommittee@SanduskySailingClub.com 440-320-3100

Learn to Sail.... Mic Kaufman / Suzanne Hartley

Correction – Prices for Learn to Sail are SSC members: half day \$155 and full day \$300. Cost for nonmembers is half day \$180 and full day \$330.

ODNR grant – Sandusky Junior Sailors, Inc was awarded a \$30,000 grant by the ODNR. The grant will be used to advertise the various programs and upgrade equipment for Adaptive, Adult Sailing, Learn to Sail and Community Sailing.

Donations – Thanks to all of you who have supported SJSI with your donations of sails, money and time. Registration does not cover the expenses of the Learn to Sail program. Remember, the future of sailing is with the youth!

Did you receive your letter thanking you for your donation to SJSI? If you have not yet received your letter, please contact Suzanne at Learn@SanduskySailingClub.com.

The Sea Bags were a big hit at the Boat Show but we still have a few left. Contact Suzanne for more information.

Spring Break camp – Mic, Suzanne and hopefully a few of you will be at the Sandusky Spring Break camp with both Sailing Simulators. The camp is March 25-27 from 10-2. We could use your help teaching knots and points of sail.

Did you miss seeing the simulators at the Boat Show?

Over 50 people tried sailing on the simulators. You can see Mic Kaufman and Larry Knauer on "Kicking it with Kenny" Fox 8 News. They are on YouTube!

Adult Learn to Sail classes will be the first four Thursdays in April from 7:00 to 8:30pm. Cost is \$50 and includes a keel book worth \$20. Send a check made out to Sandusky Junior Sailors, Inc to P.O.Box 254, Huron, Ohio 44839.

On-line registration for Learn to Sail is now open!

The Learn to Sail youth sessions for 2019 are:

| | |
|-----------------|-----------------|
| Session 1 | June 17-June 21 |
| Session 2 | June 24-June 28 |
| Session 3 | July 8-July 12 |
| Session 4 | July 22-July 26 |
| Session 5 | July 29-Aug. 2 |

SJSI is looking forward to an exciting sailing program for youth and adults in 2019. The Sailing Simulator will be at the club for Winter Wednesdays. If it's too cold to sail but not cold enough for ice boating, try sailing a simulator!

Communications Committee....RC Matt Bedee

Remind texting service - For quite some time we have been using email blasts to get information out between newsletters. Many people don't always access their email at the last minute. So we're looking at a new texting tool that is used by schools called **Remind**. We hope to use this to remind members of upcoming events and to announce updates to an event as it is happening.

To join **Remind**, you can text @sandsail to 81010 to sign up for text messages and/or send an email to sandsail@mail.remind.com for email notifications. We will be trying it out over the coming months, so sign up now.

This will be in addition to the current email blasting we're currently using.

As we use Social Media more this year, we're asking members to not only tag Sandusky Sailing Club in their posts, but this winter please use #SSCWinterWednesdays.

Contact us – Please feel free to email us with questions, comments, or suggestions at Communications@SanduskySailingClub.com.

Cruising ClassSheryl Hoffman

Leamington Sail-Away is Friday, June 14 through Sunday, June 16. This is a great way to start the cruising season and we welcome new members to join us for this trip. Skippers Sheryl Hoffman and John Wiggins will once again be coordinating the cruise and social activities, on **Eriesponsible**.

Leamington Municipality Marina www.leamington.ca/marina dock fees are \$2.00/ft. plus tax (Canadian). We currently have 15 docks reserved.

Plan on a Friday morning departure from SSC. There will be a BYOB and shared appetizers dock party upon arrival of the fleet. Saturday morning breakfast is yet to be determined - possibly Bloody Mary bar on the dock.

Saturday day is on your own to explore Leamington by bike, hike, kayak or taxi. We'll all gather at the marina later that evening and head out by taxi for dinner in Leamington. We're checking Freddy's from last year, but open to suggestions.

Our return sail is on Sunday. Last year a few of us sailed to Pelee and enjoyed an adventure to the Pelee Island Winery by way of a true Island Car. Any takers for this year?
