## From the Helm ..... Comm. Tim Willford

**And just like that... we're off!** The season has officially begun. Boats are back in the marina, the docks are alive again, and that familiar energy around SSC has returned. After a long winter, it's great to see everyone back where we belong — on the water.

A big thank you goes out to Don Huntley for getting the race committee boats prepped, launched, and ready to go.

That work sets the tone for everything that follows, and it doesn't go unnoticed.

**High School Sailing** - We also kicked off the season in a big way with SSC's first-ever High School Sailing Regatta - and what a day it was. Don Huntley truly knocked this one out of the park, organizing every detail and rallying an army of volunteers to make it happen. The racing was great, the energy was even better, and the evening fundraising dinner brought it all together. It took over 30 volunteers to pull it off - an incredible example of what this club can do when people show up.

**Junior Race Team** - And while high school sailing wraps up its spring season, we're already looking ahead. Our Junior Race Team is building momentum with a new group of 6-8 Opti Green Fleet sailors, led by Aubrey Phelps, starting to take shape. This is the foundation of our future racing program, and it's exciting to see it growing.

**Pump-out dock** - Around the grounds, you may notice some work underway near the gate. The trenching you're seeing is part of the installation of a new pump-out dock on the southeast wall, along with bringing power and water to the new transient docks. These are meaningful upgrades that will benefit both our members and visiting sailors.

**Club entrance** - There will also be some changes to our entrance later this month. With construction ongoing behind the club, a new road is being installed and grading work will temporarily shift traffic to the secondary gate on the southeast lawn. When this happens, please slow down. This route brings you directly past the Learn to Sail area, and we need to keep our young sailors safe.

**May is a full month** and marks the true start of the season. We begin with the Spring Meeting and Workday on May 2, setting the stage for everything ahead. Over Memorial Day Weekend, we host the DF95 Region 4 Championship, and we close the month with our Memorial Day ceremonies - a tradition that reminds us why we gather and what this community represents.

**There's a lot to look forward to**, and the momentum is already building. I'm excited for what this season holds and proud of the direction we're heading as a club.

Let's get after it. — *Commodore "Toledo" Tim Willford*

## First Mate Pippa's Log - May

HENLOOOOO SSC FRENZ!!!

IT HAPPENED. SUMMER MODE = ACTIVATED.

Boat bois are BACK. Dock smells are FRESH. Hoomans are OUTSIDE again (finally). I, First Mate Pippa, have resumed FULL TIME patrol duties:

- Sniffing
- Inspecting
- Demanding pets
- Monitoring snacks VERY CLOSELY

**Winter was ruff. But now... we SAIL.**

I did big observe at the High School Sailing Regatta. So many smol hoomans doing FAST zoomies on water boats. Verw impress. Much talent. Still learning important skill of “dropping snacks for Pippa,” but I will coach.

Also seeing LOTS of tiny hoomans at Learn to Sail. This is GOOD. They are future crew. Future snack givers. VERY IMPORTANT ASSET. NOTE TO FAST ZOOMING CARS: SLOW UR ROLL. PROTECC THE SMOL SAILORS

I also supervised big dig hole near gate. Many machines. Much dirt. I barked at it to ensure quality control. I assume this means MORE BOATS, MORE FRENZ, MORE TREATS. I approve!

**Coming soon:**

- Work Day = MANY HOOMANS TO FOLLOW
- DF95 tiny boats = VERW CONFUSING BUT FUN
- Memorial Day = MAXIMUM SOCIAL MODE

Club vibes = STRONG

Dock vibes = ELITE

Pippa vibes = UNSTOPPABLE

If u see me: Pls apply pets. Pls say “good girl” (correct).

Pls share snack (optional... but also required).

Ok bye now. Must go bark at seagull. – First Mate Pippa

**Vice Commodore’s Comments...VC Tim Ujvari**

**Mother Nature is treating us to a roller coaster ride**, teasing us with early spring weather and ample sun with temperatures in the upper 70s and now as I write this article, rain, overcast upper 40s with low temperatures approaching freezing. But rest assured our sought-after favorable sailing weather is approaching quickly so for those that are not yet in the water, refocus and let’s get to it.

**SSC entrance** - For those that have not been to SSC for awhile, be aware that the entrance from Meigs Street, as you head toward our entrance gate, has changed. The current entrance from Meigs Street is the second driveway north of the Police Station. A smallish black and white sign is posted in the tree lawn. You will proceed toward the skate park and, at the present time, you will enter through our security gate as you have in the past. With the Battery Park area development well underway, this configuration will undoubtedly change as work proceeds.

**There is also construction activity at SSC** with the installation of underground utilities that will service the new transient docks and the pump-out station along with dredging a portion of the basin. With the significant winter weather that was experienced, work which was originally scheduled early in the year was postponed and was started recently.

**As a reminder, the gate/security cards will not be changed** annually as in the past, so don’t dispose of them.

**If you happen to notice something** that needs attention or have suggestions, let someone on the Bridge, a Trustee or myself know. You can call or text me at 330-696-3161.

**From the Rear ..... RC Robbie Stone**

**Upcoming Friday Night Feed Information**

(The “We’re Doing Our Best” Edition)

The weekly “Who’s Cooking and What’s for Dinner” update will now appear on the Sandusky Sailing Club Facebook page. I will not be sending separate emails or texts every week — mostly because I’d like to maintain the illusion that I have my life together. Once our new club management software is operational, things will get smoother. Or at least pretend to be smoother.

I will send occasional emails when there’s information covering multiple days, major events, or anything involving spaghetti, raffles, or Derby hats.

**Friday, May 1 - No Friday Night Feed**

**Saturday, May 2 is Spring Workday**, and the club will provide a late lunch — a reward for your hard labor and questionable life choices.

**Friday, May 2 is also the Kentucky Derby**, and we’re hosting a Derby Party at 6:00pm featuring:

A ladies’ hat contest (the bigger the better — aerodynamic concerns are irrelevant)

Mint juleps at the bar

Kentucky Hot Browns

And, if we can find a volunteer baker, Transparent Pie, which is a real thing and not a culinary prank.

**Friday Night Feed Sign-Ups**

We’ll be passing around sign-up sheets at these events.

Please volunteer — otherwise you risk being voluntold.

**Hope to see everyone soon at the club.**

**Sadler Sailing Basin .....**

**Chairman - PC Bryan Huntley**

**The basin will officially open May 1** and we are working to get things ready for the 2026 boating season.

Water should be on by the time you read this.

The hoists should also be hung and operational.

Work has begun on installing the pump-out dock.

Dredging should be complete by 5/15.

Power, water and sewer lines have been installed for the pump-out dock and for the new transient docks.

**Long Range plan** - Sadler and the Long Range Committee have met with the City and presented the new Long Range plan for basin development. It was well received. We have broken it down into three phases with the 1st phase to begin in 2027. We will keep you posted as things develop.

**From the dock coordinator- Doug Klein**

**Signed contracts are due now.** Proof of insurance is due now. Please get them in to the PO box or emailed to me at:

[firefotodk@gmail.com](mailto:firefotodk@gmail.com)

**We will be replacing lights on the docks.** These must remain lit through the night for safety reasons. Do not turn any off.

**Dock changes** - Lengthening of some docks is taking place along with repair of water and electrical systems.

**We have slips available in 26’ to 40’.** Encourage your sailing friends to check us out.

## **Cruising Fleet..... RC Robbie Stone**

**Cruising Fleet Season Kickoff** – Buckle up, 2026 is going to be a ride! - The SSC Cruising Fleet launched the 2026 season on Wednesday, April 15 with our biggest crowd ever. If enthusiasm were wind, we'd have hit hull speed before the meeting even started. Here's what you missed (or what you might only think you remember).

**Meet Your 2026 Co-Captains** - A round of applause for our brave, bold, possibly ambushed Co-Captains: Nick Skaggs and Dave Kocias. They "volunteered." We "let them." Any rumors about a vote happening faster than a spinnaker hoist in 20 knots are purely false facts.

**Monthly Meetings:** Now With Actual Boats Nearby, Starting in May, our meetings will be onsite at the club, every second Wednesday, right after Wednesday Night Racing. This means:

- Cruisers get to hang out at the club
- Racers get to wonder why we look so relaxed
- And there is always the possibility that you chance to hop on a race boat and see what all the yelling—sorry, tactical communication—is about.

## **2026 Cruising Events**

(The "As Much As We Know Right Now" Edition)

- **May — Lighthouse Inspection Cruise** Saturday, May 23 (Memorial Day Weekend) Time to make sure the lighthouse is still there. It usually is.
- **June — Leamington Cruise June 12–14** This event is so awesome it has its own section in the *Cross Bearings*. Bring your passports and your appetite.
- **July — Pelee Island Cruise** Date TBD. We're waiting for Pelee to thaw, open, or send a carrier pigeon with confirmation.
- **July/August — TENTATIVE: I-LYA Bay Week Cruisers Rendezvous** This one is still in the "we heard from a guy who heard from a guy" stage. The concept: Cruise across the bay, chill while racers race, then join them for the party. The reality: We're cruisers... we're always ready for the party.
- **August — Sandusky Islands Race** Our hometown event. My dream? 100 cruising boats on the start line. Is that realistic? No. Is it fun to imagine? Absolutely.
- **September — Cleveland Guardians Game Cruise** Target: Labor Day Weekend — extra day, baseball, air show, the whole package. Challenge: finding a marina that isn't already full of people with the same idea. Backup date: Sept. 29. Either way, this is our 2026 season finale.

## **Fleet Communication**

Until ClubSpot arrives, we're using TeamReach for quick updates, rendezvous plans, and "who's out on the water today?" chatter.

To officially join the Cruising Fleet:

1. Share your contact info here (copy/paste if needed):

<https://app.smartsheet.com/b/form/019ce242dd66781ea06fae80a92b7ae1>

We'll send your TeamReach invite.

2. Pay your \$25 fleet dues at the Dairy Bar. (You can still join the text group even if you're not official yet. We're cruisers, not gatekeepers.)

## **Sandusky Junior Sailors, Inc..... Suzanne Hartley and Michelle Gilboy**

**Youth Learn to Sail registration is open.** Classes are available all day (9am-4pm) or half day (9am-12pm). To register visit [www.sailsandusky.org](http://www.sailsandusky.org). First session starts June 15. All sessions are one week. There are five sessions to choose from. Sign up now!

### **The Sandusky Junior Race Team is gearing up.**

First practice starts June 8. The program uses Optimis, 420s and Lasers. To learn more about the program, contact Aubrey Phelps at [aubrey@sailsandusky.org](mailto:aubrey@sailsandusky.org).

### **The newly formed Sandusky Bay High School Race Team**

is racing under the direction of Donnie Huntley. There was a regatta at SSC with 36 participants from Columbus, Cleveland and SE Michigan. Winds started out light 2 knots or less then built to 15 knots after 1pm. Sixteen races were raced from 10am to 3:15pm between two divisions.

**Team Division:** 1st Dublin Coffman, 2nd Olentangy mixed 3rd Grosse Pointe South

The Sandusky Team heads to Columbus for the state championship May 2, Leatherlips Sailing Club on May 9 and the season wraps up at The Foundry on May 16. Good Luck Team!

For more information contact Donnie Huntley at [www.sailsandusky.org](http://www.sailsandusky.org).

**SJSI is now accepting sails** to be made into sail bags by a new local company, Resailor.

**Lyric Boettler fundraiser** - Please join us, Kim and Dave Kocias on July 17 for a fundraiser at the Sandusky Sailing Club for our granddaughter Lyric Boettler.

Lyric is our 4-year-old grandchild with a big personality. She was born to a drug using mother and was addicted to multiple narcotics at birth spending the first 575 days of her life in the NICU at Akron Children's Hospital. Our daughter and son-in-law, Delanie, her NICU nurse and Michael Boettler took a giant leap of faith and trust in God and adopted Lyric knowing her challenges. Lyric was on a trach for the first two and half years of her life and is still fed through g-tube. And, she has recently been diagnosed with cerebral palsy. Our kids will do anything to help their daughter and have found and been accepted into an experimental treatment called NeuroCytonix. This treatment builds new neural pathways in the brain. People we know have taken their daughter for this treatment and have seen percentage improvements in her interactions. This treatment requires a month-long stay in Mexico and as such we're asking for your help to send them in September. Please join us to help show our love for Lyric.
