

The object of the Sandusky Sailing Club shall be the promotion and encouragement of sailing and seamanship, and of a sportsmanlike attitude toward racing and competition. The Club is organized to encourage small boat sailing and racing among those who may not be able to afford large annual dues and assessments.

Commodore's Comments..... Comm. John Schwartz

The first round of gratitude is due to the hardy group of volunteers led by Terry Parker who have all but completed a full renovation of our RC boats. I know there is sometimes friendly animosity between the racing and cruising factions of SSC. However, a well-equipped Race Committee really benefits the whole club. The racers benefit for obvious reasons since you can't have a race without RC. But the general (non-racing) membership benefits too in ways that often go unnoticed, such as the aesthetics of an active sailing club that regular races guarantee, the frequent large numbers of membership on-grounds who are happy to lend a hand docking, raising a mast, monitoring unusual activity, etc. There is also the knowledge base that active sailors have just by virtue of pushing gear and boats frequently and in all kinds of weather. SSC is respected as a club by other Ohio clubs for its sailors, its facilities, and its RC. Please thank Terry and

these people when you happen upon them at the club this year: Bernie Ashyk, Dearl Bailie, VC Matt Bedee, RC Andy Davis, John Eschels, PC Fritz Everson, PC Mike Fleming, Don Guy, Susanne Hartley, PC John Hartung, Frank Hill, Paul Kalister, PC Monty Kaufman, Leo Kaufman, PC Wendy Kaufman, Jim Keane, Paul MacAllister, PC Mike Muhn, PC Skip Oliver, Danny Olson, Dave Regnet, PC Jeff Smith, Phil Spicer and Carolynne Zettler.

Wednesday Night RC and burger duty - This is a good time to remind all racers of the new rule for all Wednesday night skippers/boats. Each boat will be assigned a Wednesday to help the Race Committee/burger duty, doing whatever is assigned. Your boat does not race that evening; You will be given an average of your scores for that series. That should not move your place up or down for the series. If a boat/skipper does not show up and/or make satisfactory arrangements with RC and your Fleet Captain, that boat will be disqualified from the series. SSC has a reputation and a tradition of superb race committees. The only way we are going to maintain both is if everyone steps up.

The second round of gratitude goes to the even larger group of volunteers (you'll recognize many of the same names) that have agreed to serve on SSC's committees this year (please let me know if I've omitted anyone so that I can correct this committee list before formally approved and recorded in the 2019 yearbook):

- **Audit Committee:** Jim Brinker, PC Jeff Smith, Louie Palmer (and ex-officio Dave Brink, Treasurer)
- **Awards Committee:** PC Steve & Rose Ellen Jackson

High water rolls right over the Washington St. pier.

- **Communications Committee:** PC Eric Winkel, PC Steve France, Brett Langolf, VC Matt Bedee, Doug Klein, Dan Olson, Jason Huffman, Mark Swabley
- **Fleet Captains:** Mark Swabley (cruising), PC Mike Fishbaugh (T10), PC Bryan Huntley (PHRF), Harrison Pratt (JAM), Bernie Ashyk (Interlake), PC Dean Riedy (J24), PC Roger Fair (Thistle)
- **Historical Committee:** PC Mike Muhn, Dennis Butts, Don Guy
- **Long Range Planning Committee:** PC Mike Muhn, PC Pete Grant, PC Bill Semans, PC Eric Winkel, PC Mark Gross
- **Membership Committee:** PC Steve France, PC Wendy Kaufman, Reed Carpenter, Carolynne Zettler
- **Outstanding Service Award Committee:** PC Jeff Smith, Susan Smith, PC Ruth Anne Van Fleet, PC Monty Kaufman, Suzie Kaufman, Phil Spicer, PC Mike Austin, Sue Austin
- **Race Governing Committee:** Terry Parker, Jim Keane, Joyce Keane, Hank Boissoneault, Brett Langolf
- **Race Management Committee:** Jim Keane, Joyce Keane, Ryan Kyle, David Miller, Jane Miller, PC Monty Kaufman, Suzie Kaufman, John Eschels, Linda Eschels, PC John Hartung, Roberta Hartung, Gladys Janssen, Marty Abbott, PC Jack Doller, Judy Wright, Tim Parker
- **Regatta Committee:** Jay Austin, Brett Langolf, Ryan Kyle, Wes Blazer, PC Bill Semans, Jim Keane
- **Sadler Basin Committee:** PC Steve Jackson, PC Mike Muhn, Art Averell, PC Monty Kaufman, Karl VanderHorst
- **RC Boat Committee:** Terry Parker, Ryan Kyle, Phil Spicer, Jim Keane, Brad Lynch

SSC would falter quickly if it weren't for the constant efforts of all of these volunteers-- and obviously the slate of volunteer trustees and officers:

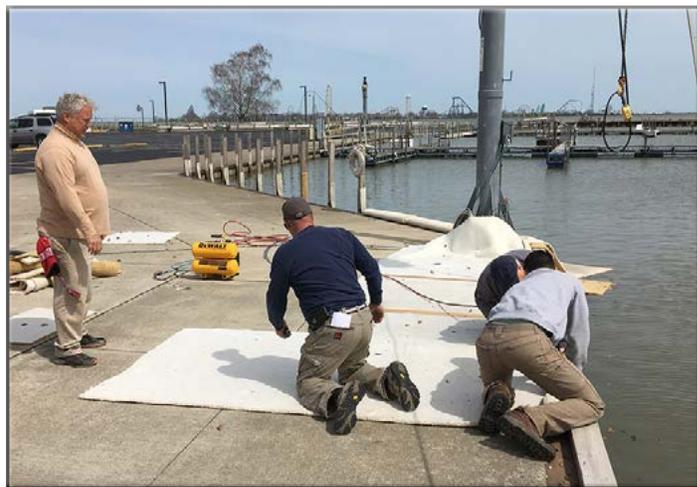

Bridge: Immediate Past Comm. Mark Gross, VC Matt Bedee, RC Andy Davis

Trustees: PC Brad Huntley, Nikki Scozzarella, Hank Boissoneault, Danny Olson, Jay Austin, John Wiggins

There are many others who I didn't name who jump in as needed-- as well as all of the club "staff" who log many more hours than for which they are paid to make sure that we present well and are above reproach, such as Bernie Ashyk, Dave Brink, Steve Clark, PC Eric Winkel, and of course Club Manager Tim Kyle. It's easy to get bogged down in the weeds of how each of us might do something different and what "might" be "if only." However, all of these people are stepping up and serving our club in the best way that we collectively can. Committee work and group-think governance is frustrating stuff. Constructive criticism is a good thing. But don't forget to say "thanks" at the same time.

I look forward to the 2019 season and seeing everyone around the club.

If you want to contact me, feel free to reach me at Commodore@SanduskySailingClub.com or 419-706-5137.

Interlakers dress up the carpeting at the hoist during Spring Workday.

El Vicio Comodoro VC Matt Bedee

Yearbook - Look for the 2019 Yearbook Advertisement Form in this month's *Cross Bearings*. The color cover pages have been spoken for and we have had a request for a full color ad in the center of the yearbook. Don't worry, we will have plenty of places to put the great member photos that you will be sending PC Eric Winkel and/or me at yearbook@sanduskysailingclub.com. We will continue to support the exposure for the yearbook sponsors - including a directory of advertisers in the yearbook and in the member section of the club's website. So, if you have been a yearbook advertiser in the past, we would appreciate your support again this year; you can email the advertisement form to yearbook@sanduskysailingclub.com.

We have had some interest in downtown eateries giving SSC members discounts, etc. When the yearbook comes out, make sure you let the restaurants know that you saw their advertisement in yearbook.

Workday/Spring Meeting - Thank you everyone for your support getting the RC boats worked on during the Workday and also getting the club cleaned and ready for the season to start.

Highlander Nationals - I am chairing the Highlander Nationals on July 13-18 at Sandusky Sailing Club. We had a great meeting in March with their Regatta Chairman and I am looking forward to this event. The Highlander Nationals has been added as a Facebook event, so feel free to check it out and share it as much as possible. Information is still being

HARBOR NORTH

YOUR COMPLETE SAILING CENTER

coordinated and will be updated on Facebook and on the SSC Regattas web page. I will need everyone's help to make this a success as is par for regattas hosted by SSC. If you can volunteer for the Highlander Nationals, please contact me using my information below. I appreciate the support that I know I will get from our club members and Race Committee.

Social events - The Communications Committee will be using Social Media more this year and are asking members to tag Sandusky Sailing Club in their Facebook posts during events or just simply enjoying your time at SSC.

Join **Remind** to receive texts regarding the club. All you have to do is text @sandsail to 81010 to sign up for text messages and/or send an email to sandsail@mail.remind.com for email notifications.

Credit cards are in their second year at the Dairy Bar. There has been a cost to the club to use the cards, but I believe it has been outweighed by the benefit for members. The only change this year will be a \$10 minimum to use your credit card at the Dairy Bar, which is typical for many small businesses to help decrease costs on individual small purchases.

Don't forget that the Dairy Bar has carry out and you can get your beer/ice at the club on Friday nights if you are in a hurry once the season starts.

Gate operation - Please note that the gate will always appear to be closed at the club unless we have a regatta and someone is working the gate to let vehicles/trailers into the club to unload. I say "appear" because we have changed a few things with the gate operation for 2019. The gate will remain shut vs being open for weekends/LTS; that is where the first change will be noticeable. If the gate is in "Open Mode," before a member gets to the key card post, the gate will open and stay open for a much shorter time now of 3-5 seconds. If you pull up to the key card post and the gate doesn't open as soon as you cross the sidewalk, then you will need to use your RED key card. Once your vehicle crosses the gate, regardless of activation, a laser sensor will now detect when an object or objects are in a defined field that runs out to about driveway island. If anything is in that field, the gate will not start the close cycle. Once the gate begins the close cycle, the gate will remain open for only 3-5 seconds before starting to close. In the past the close cycle was set to 40 seconds; not anymore. If you are riding a motorcycle, you may still need to use your RED key card each time as the ground loops can be temperamental for motorcycles. As always, the vehicle gate is not for pedestrian access. Pedestrians should use the unlocked pedestrian gate to the north of the vehicle gate.

Contact me - Please feel free to email questions, comments, or suggestions to ViceCommodore@SanduskySailingClub.com or call/text me at 419-202-0044.

View from the RearRC Andy Davis

This month's view from the rear will be short and sweet as the weather is warming up and we will be sailing in no time. Key reminders:

• **Steak Out Party, New member welcome and Nautical White Elephant Auction**, Friday, May 18. This is a great event and a ton of fun. Please email or call PC Steve France to let him know you are coming so that he can ensure there

MARK R. GROSS
ATTORNEY

MARK GROSS LAW LLC
A Virtual Law Office

419.609.5000
mgross@grosslaw.net
www.grosslaw.net

are 12 oz. strip steaks reserved for you and your guests. The Dairy Bar will open around 5pm and steaks should hit the grill around 6pm.

• **Friday Forums** - I am in the process of scheduling Friday Forums and am coordinating topics of interest. Stand by for updates.

• **Sandusky Sailing Club Event Calendar** - Remember that all events are posted to the calendar once confirmed. This is the place to find out what is going on when. Over the next 15-20 days there should be updates as to the Friday Forums, Fall Winter Wednesdays, and other social events upcoming. There are several being planned, but I cannot commit yet on dates until I have confirmations. It will be a great summer.

• **Sunday Funday** - As a broader initiative, my goal in 2019 is to revitalize the Sunday Races for big boats as a vehicle for new sailors to enjoy and learn about sailing. We already have broad participation from the Interlake Fleet on Sundays, which illustrates our love of sailing. I will be reaching out to folks in regards to big boat participation on Sunday mornings, and ideally making your boat available to include a new sailor or two for those fun races. Following a fun sail on Sunday mornings (Perhaps some Bloody Marys, I hear Tim makes a great one) there is always enjoyable banter and ideally, SSC can become a Sunday destination for all those who wish to learn, and ultimately join as a member. I will be reaching out in very short order to determine how many folks would be willing to help support this effort.

I am aware this is very short, but I do not have confirmation on events, thus did not want to throw something out there and have the dates move. Stay tuned, as I think you will enjoy what is coming down the pipe. See you on the water, or at the clubhouse.

Contact me - Please feel free to email me with questions, comments, or suggestions at RearCommodore@SanduskySailingClub.com or on my cell at 262-202-1372.

Basin Business.....PC Monty Kaufman

Sadler Basin committee has been busy all winter long.

Springer's Wharf - We used ground-penetrating radar to survey Springer's Wharf. As we suspected, we had some cavities, but they were only one to three feet deep. Because the concrete on the bay side was deteriorating, we opened it up, inspected the steel tie backs, filled the holes and resurfaced the deck. Springers is good to go for another 100 years.

Frozen water lines - Right after fall work day, we had an unexpected freeze and some water lines froze. We are replacing the broken water lines on A B and C docks. We have to cut and remove a narrow line of concrete on Springer's to get to those water lines. Because we have to replace the failing tank docks on Springer's and A dock, we will fill that cut with stone for this year. Next Spring we will realign the electric and water on Springer's to match the placement of the nine new docks.

Winter was hard on our docks. Ice broke the fire suppression lines. With the fire department's permission, we may not repair those pipes. Dock tanks on A will have to be replaced and the wood decks on B and C need replacement. The basin committee is investigating the cost of widening A, B and C docks and the fingers between the boats. With the fire department's help, we will be implementing a new fire plan.

Entrance buoy - Finally, we are installing a new, white-lighted buoy at the rock by the entrance to SSC. It will have a one-mile visibility range.

The next meeting of the Sadler Basin Committee will be Monday, May 6 at 7:00pm. If you have ideas or questions, do not hesitate contact the Sadler Basin Committee at SadlerBoard@SanduskySailingClub.com or call 419-656-5881.

RC Boat Committee..... Terry Parker

As I write this (April 15) our crew of workers is heading for the starting line. This has been a year for us to go beyond the diligent spot-repair maintenance which has been done over the years, to address some major structural and seaworthiness issues with our two 50+ year-old steel committee boats. PC Mark Gross re-formed this committee in late 2017.

We are addressing persistent rust in the bilges of the two Inland Seas by removing scale and surface rust, in the case of *Escort 3*, having to cut out and replace steel plating in one location as well as a complete roof replacement. A thorough courtesy survey (thanks to SSC member Kevin Bache!) revealed numerous other "hidden" issues that needed to be addressed. We are progressing on those as well.

Our primary mission over the winter of 2018-2019 has been to address structure, safety and seaworthiness. Other identified areas of need can be worked on post-launch. The great progress to date is the result of over 450 hours of volunteer labor and ingenuity by 25 volunteers from the club. This speaks well of the spirit of SSC and the desire to maintain our racing program in this fantastic venue. It has saved us money in the 5-figure range as well. Thank you to everyone who has contributed! Our last official workday was Sunday, April 28.

See you on the race course! You can reach me at terryparker47@gmail.com or RaceCommittee@SanduskySailingClub.com or 440-320-3100.

Sandusky Junior Sailors, Inc
..... **Mic Kaufman / Suzanne Hartley**

Spring Break Camp - SJSI presented an introduction to sailing at the Spring Break Camp held at the Sandusky High School. More than 100 children experienced the joy of sailing via the simulators. Each child received a red book from US Sail to record their achievements and a line to practice tying knots. Thanks to all who helped.

SJSI will be hosting Level 1 training June 6-June 8 at 9:00am. All activities will be in the junior building.

Race team parents will meet the beginning of May and help to get the boats out May 19 at 9:00am.

SJSI/Adaptive hosted the developer of the Sailing Simulator and founder of Virtual Sailing Inc., Dr. Norman Saunders, over the weekend of April 6-9. During his visit we discussed lessons learned using the simulator and how we had used it at the City of Sandusky Recreation Department School Winter

Jim Keane and PC Monty Kaufman were in charge of bottom prep.

Phil Spicer and Paul Kalister shaping the edges of the new roof on Escort III.

PC Jeff Smith and Frank Hill do some final cutting.

and Spring Camp and the Cleveland Boat Show. In addition, we met with The Foundry sailing staff on how they used the other simulator during February and March. Very good interchange on lessons learned and how to get the most out of the investment in the simulators. We were given a tutorial on some of the interactive training diagnostics built into the simulator that will be immensely valuable in improving the sailing performance of racing sailors using the simulator for conditioning and skill training.

Additionally, Paul-Jon Patin, sailing coach at Point'O Woods Yacht Club in New York, came to SSC to see how we are using the simulators to assess how they might use one in their program. Patin was very impressed to see the SSC facilities that he had heard so much about from the Thistle Nationals that SSC hosted a few years ago. He came through the gate and immediately complemented SSC on the Nationals and even though he was not here personally he recognized the location from the picture taken during Nationals. He hopes to come to Sandusky for a future Nationals as he can see why this is such a great sailing venue.

Remember to sign up your children, grandchildren, nieces and nephews for sailing classes this summer. Online registration is open. Registrations alone do not pay for the expenses of running a sailing program, so please consider a financial donation to SJSI.

Thank you for all you do and your continued support. Children are the future of sailing!

The Learn to Sail youth sessions for 2019 are:

- Session 1June 17-June 21
- Session 2June 24-June 28
- Session 3July 8-July 12
- Session 4July 22-July 26
- Session 5July 29-Aug. 2

Cruising ClassSheryl Hoffman
Summer Plans - Where would you like to sail this summer? What activities would we enjoy? As marinas start to open around the lake, it's time to get our reservations in. But we need destinations and a time to visit them. Share your ideas - mswabley@gmail.com

The first SSC Cruise of the year is the traditional LIGHTHOUSE INSPECTION CRUISE. We will gather on Sunday, May 26 for donuts and coffee at 9:00am in the clubhouse. At 11:00 we will cast off lines and head for the bay. Weather and waves permitting, we will cruise past Sandusky channel buoys and range lights, the pierhead light

and Marblehead Lighthouse. We plan to return to SSC around 3:00pm. Dinner of brats and burgers, chips and salad, desserts and drinks will begin at 6:00pm. If your boat is not ready for the cruise, you are welcome to join us for the dinner.

Leamington Sail-Away is Friday, June 14 through Sunday, June 16. This is a great way to start the cruising season and we welcome new members to join us for this trip. Skippers Sheryl Hoffman and John Wiggins will once again be coordinating the cruise and social activities, on **Eriesponsible**.

Leamington Municipal Marina www.leamington.ca/marina dock fees are \$2.00/ft. plus tax (Canadian). We currently have 15 docks reserved.

Plan on a Friday morning departure from SSC. There will be a BYOB and shared appetizers dock party upon arrival of the fleet. Saturday morning breakfast is yet to be determined - possible Bloody Mary bar on the dock.

Saturday day is on your own to explore Leamington by bike, hike, kayak or taxi. We'll all gather at the marina later that evening and head out by taxi for dinner in Leamington. We're checking Freddy's from last year, but open to suggestions.

Our return sail is on Sunday. Last year a few of us sailed to Pelee and enjoyed an excursion to the Pelee Island Winery by way of a true Island Car. Any takers for this year?

IMPORTANT: CUSTOMS CHECK-IN IS NO LONGER AVAILABLE AT CEDAR POINT or PUT-IN-BAY.

You must have the CBP Roam App on your phone or tablet unless all of your crew members have Global Entry cards or an I-68. Please double-check for yourself and register well in advance for this. John and I took care of this last fall, but it took us some time as we were experiencing difficulty with the government site. I'm told the kinks have been worked out from last season and it's fast and easy. Here are links to the sites with information about the new US Customs and Border Protection requirements.

Sunday Funday

Come out on Sunday morning for the 2019 Sunday Funday Racing/Cruising Series.

- Racers can sharpen their skills.
- Non-racers can test the waters to see if they would like to learn more about racing.
- Cruisers can go for a nice sail around the bay with their fellow SSC members.

Sample Sunday Funday course

WHO: All SSC members and friends

WHAT: A quick sail around Sandusky Bay in a competitive or non-competitive format.

WHEN: Sunday morning start at 9:00. See the SSC 2019 Sailing Schedule for dates. Finish within a couple hours (time limit enforced). Head to the SSC Dairy Bar for libations and more fun. Tim might even be making his famous Bloody Marys!

WHERE: Start in the Eastern end of the Bay. Sail an approximately 6 mile course around Sandusky Bay. Finish off the Sailing Club.

WHY: Because we have sailboats that need to be sailed.

HOW: Costs nothing. Just come out and sail! If you don't have a boat - hook up with someone who does.

Questions? Contact PC Eric Winkel at 419-621-6603 or eric@artdpartment.com
