Message from Comm BlutarSKI Commodore Andy Davis

Well, summer is almost over, and in my opinion, the BEST SAILING is yet to come. Sailing in the fall is awesome - especially on Lake Erie.

Sandusky Islands Leukemia Cup Regatta –
Aug. 27-28. SSC sponsored and hosted the Sandusky Islands Race and it was an awesome weekend. First and foremost, I want to extend a heartfelt thank you to everyone who helped make this year's event such a success. PC Matt Bedee was the chair of the event, and there were so many people who helped out as well as the planning committee who performed wonderfully. We had 40+ boats this year, and I am sure the 2022 Sandusky Islands Race will be even bigger. On Friday evening there were burgers served, and we had a DJ, as well as a drink special (Dark and Stormies). The entire clubhouse was buzzing and the music was fabulous.

Saturday morning was gorgeous, with winds out of the SW, and the boats began heading to the starting area around 0830. There was a photographer who took pictures prior to the start, as well as great images of each class start. As boats rounded the last mark on the west side of Kelleys Island, we were able to get great shots of most of the fleet as they passed Marblehead Lighthouse.

Upon arriving at SSC, and after some much needed re-hydration, the participants made their way to the clubhouse where catered BBQ was served, as well as a hopping Dairy Bar. Live music began and there was dancing and fun had by all. I do believe that Saturday night might have been the busiest I have ever seen the Dairy Bar. There were again specials for all who were there, and it was obvious everyone had a great time.

Sunday we served our famous Bloody Marys, and that too was a success; we were very busy and the Interlakers, among many others, enjoyed the day.

I can share this now: We already have the band booked for 2022, and for those who were not able to be at the club on Saturday night, I suggest you try your best to make this event next year.

Thank you to everyone who participated, pitched in to help, coordinated, did the Race Committee, and came out to enjoy the weekend. I am chairing the 2022 Sandusky Islands Race, and will need volunteers to ensure this event is successful. We will begin planning in January, please consider volunteering and supporting this event.

Gerry Wright passed away Aug. 17 following a lengthy illness. We will always remember Gerry sailing his boats, *Sea Witch* and *Red Barron*, as well as his lengthy run on the SSC Race Committee. Our condolences go out to his family.

Upcoming Events

SSC One Design Regatta/Thistle District Championships Sept. 18-19. This should be another great event with multiple racing classes represented. As always, we are looking for volunteers to help, so if you can help out, please reach out to Jay Austin and offer your support. There will be updates forthcoming in email blasts.

SSC Awards Banquet at SYC Nov. 13

As we all remember, there was not an awards banquet in 2020 due to COVID, so this year's event will cover both years. I am planning the specifics of this event now, and will provide complete updates shortly.

5K Fun RUM - We are finalizing coordination of this terrific event. If you missed this last year, ask those who participated. I am sure everyone will tell you it was a BLAST. See the flier attached.

AROUND THE HORN:

I wanted to take a moment and remind folks of some happenings and other things around the club that are important to having a great summer"

Ice - Ice cost is now \$2 per bag, so please ensure you are providing the correct amount in the collection cans when getting ice. Ice costs the club approximately \$1.70 per bag, thus we had to increase the cost to you in order to cover the cost of that inventory. Please be sure the ice cooler doors are fully closed to reduce melting. Thank you for your patience.

Grill Update - If you have not seen the new grill yet, check it out. This thing is fabulous and works like a professional grill (WAIT, it is a professional grill!). If you need lessons on how to operate, let us know and we would be happy to provide a quick lesson. I would also ask that everyone please be conscious of keeping the grill clean for the next user, and remember to turn off the burners when done using it. (You can leave the pilot light lit)

Dairy Bar Update - If you have not checked out the Dairy Bar selection of Craft Beers lately, you are missing out. I am not a beer drinker, but there are some down there that are FABULOUS. Thanks to Mark Gross for continuing to create a great menu of great beers.

Second, we need everyone to keep up on their tabs and pay them ASAP please. The first of each month we have to close out the books, and having open hanging tabs makes that effort more difficult.

Volunteerism - Please continue to volunteer at our events as time allows. This is what makes SSC so awesome. If you see something that needs to be fixed, feel free to fix it, and if there is a cost associated, give the receipt to a bridge member, and you will be reimbursed either on the spot, or in very short order.

Cross Bearings - We will be sending out paper copies of the Cross Bearings moving forward as an FYI, in addition to the email copies.

Thank you everyone, and as always, I look forward to seeing you at the club.

Sandusky Vice VC Wes Blazer

Fall Workday - I hate to say it but it's time to start thinking about Fall Workday. If you have any projects you would like to add to my list, please send them to me.

Concrete leveling - We are looking into having the concrete around the club leveled to reduce tripping hazards.

Please feel free to email me questions, comments, or suggestions at ViceCommodore@SanduskySailingClub.com or on my cell at 386-416-9034.

View from the Rear RC Hank Boissoneault

I can't believe it's September! August went faster than the two previous months. Even though the months are going quickly, we still have some fun events coming up around the clubhouse.

GERMAN FEST party - On Sept. 17 Laura Hayes is putting on a German Fest party with German beers. It's a party that you cannot afford to miss.

One Design Regatta - Sept. 17 is also the start of the One Design Regatta featuring five different classes of exciting One Design racing. A Snootie's rib dinner to follow Saturday evening.

FREE Pizza & Drinks Night -

On Wednesday, Sept 29 the PHRF/JAM Fleets are sponsoring a free pizza night. The drinks are on the Commodore!

Continuing with our Friday Feeds - Steve Rankin has offered to bring in a few skilled musicians for an evening of Rock and Roll along with some other styles that might surface. Along with Matt's famous pizzas the night should be a huge success. Please mark this evening on your calendars as a night not to miss.

Second annual Rum Run - As we move into October, the Junior Sailors are hosting a Rum Run Oct. 2. It is sure to be a huge success and promises to be a fun time by all. Come help us support the Junior Sailing program with a little Rum and Run mixed in.

I want to thank Jim and Delee, Laura Hayes, and Steve Rankin all stepping up and running an event at the club. As always, if you have an idea and would like to hoist a party, please contact me as I am sure all our members would truly enjoy it. Thank you.

We want your feedback on how to make the club a fun place to spend time. Thank you. RC Hank Boissoneault 419-357-1044 or RearCommodore@SanduskySailingClub.com

The SSC fleet heads out of the Bay to do the Lighthouse Inspection Tour.

Sandusky Junior Sailors, Inc...Suzanne Hartley/ Mic Kaufman / Michelle Gilboy

Our 2021 season has come to an end. We had a very successful season and increased participation in our Learn to Sail programs (adult and youth), Adaptive and Community Sailing. Thank you to all the volunteers that helped us during the 2021 season. We couldn't have done it without you.

The Junior Sailors Travelers Series is over. The last race was at Erie, PA. Annalea Schaub finished 2nd in her class and 8th in the travelers series. This is Annalea's second year racing Opti's for SJRT; she will be transitioning into the Laser fleet in 2022. She has already practiced in a Laser during the 2021 season. Congratulations Annalea!

Adaptive finished out the year taking out a group from Christi Lane. They had a wonderful sail and ended the day with a picnic.

The Queen of Hearts has been found! The winner took home \$1,725.50!!! Congratulations to the winner who was a regular Vita patron. Vita donated \$1,725.50 to Learn to Sail. Thank you Vita!

It's time for the Second annual 5K Rum. See attached flier. Join us Saturday, Oct. 2 as we patronize bars/restaurants in downtown Sandusky, socializing and collecting points for purchases made at each location. Signature drinks will be featured at each location. Prizes will be awarded based on points earned. Cost will be \$35 per person. Included in the cost of your ticket will be a 5K RUM shirt, a map of participating locations and your score sheet. The 5K Rum starts at SSC at 11am and finishes at 4pm. Visit our website sailsandusky.org or the Sandusky Junior Sailors Facebook page to purchase your tickets in advance. Thank you to all the sponsors of this event as well as all the local businesses for participating. If you or your business would like to be a partial sponsor (\$100) or a full sponsor (\$200) of the 5K Rum, please contact Michelle at 419-871-8080 or michelle@sailsandusky.org

SSC is well represented at the 2021 Lake Erie Solo Challenge

The 2021 Lighthouse Inspection Tour was late but a great event. Because of the rough weather around Memorial Day, our 21st annual event was postponed. The next couple of weekends were also rough and stormy or had events scheduled. People started asking me if we would reschedule the annual sail out to the fog horn and/or Marblehead Lighthouse. Finally it happened. On Saturday, July 31, 14 boats made the belated trip followed with evening drinks and hor devours back at our club. As we end this season, start thinking of the 2022 season with the 22nd Lighthouse Inspection Tour. — PC Monty Kaufman
