## Commodore's Comments.....Mark Gross

**Labor Day potluck** - Plan on enjoying your club for our Labor Day potluck on Monday, Sept. 3 at noon. Please bring your favorite dish to share.

**Fall Workday and General Meeting** - Mark your calendars for Fall Workday on Saturday, Oct. 13. The General Meeting will start at 9:00am with workday immediately to follow. The Nominating Committee is putting together a slate of candidates for Rear Commodore and Trustees, which will be announced soon.

**We are sad to report that Donna Brinker** lost her battle with ALS Thursday, Aug. 23. Donna and her family have always been there to pick up a project or host an event. You could always count on them to not only get the job done, but to do so in first class order. She will be greatly missed at SSC. Our condolences go out to her family.

**Awards and Appreciation Banquet** - Join us on Nov. 3 to celebrate another great year at SSC. Details coming soon.

**SSC gate** - We have had a couple of incidents at the gate this summer, the most recent of which has prevented the gate from functioning. We will have it repaired as soon as possible. We had technicians from Action Controls check the gate this season and it was operating properly. Please note that the gate operation has not changed; it is the same as it has been for many years. When entering SSC, insert your gate card in the card reader to the left. Wait for the gate to open fully and then proceed. The gate will remain open for 40 seconds. If you approach the gate and it is open, DO NOT DRIVE THROUGH THE GATE. It is not possible to tell how much longer it will remain open and, when it closes, it closes quickly. If the gate is open when you approach, insert your gate card in the reader to reset the time that the gate remains open, so that you can pass through safely. Though there are times when the club locks the gate open for events, do not assume that this is the case or that you can slip through the gate after another car has activated it with the

gate card. ALWAYS USE YOUR GATE CARD BEFORE PROCEEDING THROUGH THE GATE. Finally, please remember that the main gate is for vehicles only; those on foot must use the adjacent door gate for safety reasons.

*If you have any concerns* or there is anything that you believe will make our club better, please don't hesitate to contact me at [mgross@grosslaw.net](mailto:mgross@grosslaw.net) or 419-357-6747.

### **Sailing Vice ..... VC John Schwartz**

Hopefully by the time everyone reads this, you will have seen me around the club again. We bought another house at the end of June and our move in date had to be before Aug. 27. I don't buy anything that doesn't need a ton of work apparently. I like a solid discount (strong back, weak mind, etc.). Anyway, 1600+ square feet of oak strip and walnut parquet are done. Anybody who plans on redoing a wood floor going from an oil finish to a water finish, feel free to quiz me about how I did it and what I learned for the next time.

As I write this, school hasn't started just yet (two more days) and I'm painting bedrooms & closets. After that I move the family into the new house and while there is still LOTS to do-- the deadline pressure will be off and I hope to be able to steal time to put the boat in the water once or twice a week.

*I look forward to getting involved* with the life of the club again. A good sailing day in the fall really is perfect, so there's that too.

*The Fall Workday* is scheduled for Saturday, Oct. 13. I know this is in Comm. Mark's article, but we can't stress enough how important your attendance is to help put away our club for the winter. There will be a general meeting prior. While you have your calendar out, the Annual Awards Banquet will be on Saturday, Nov. 3. I know that seems like a long way away...

*Keep the ideas coming* either by email at [john@firelandslocal.com](mailto:john@firelandslocal.com) or at 419-706-5137.

### **The View from the Rear ..... RC Matt Bedee**

*Regatta chairs and members* - A huge thank you for your time and effort in planning these regattas that are a great income stream for the club. Sandusky Sailing Club is a location that many classes look to provide quality regattas. That is evident when you look at the *Regattas* page on the SSC website. Check out the regatta schedule at <http://www.sanduskysailingclub.com/regattas>.

*SSC Race Committee pot luck Sunday brunch* will be held on Sunday, Sept. 16 at 11:30am. All RC members, racers and cruisers are invited to bring a brunch/lunch dish and share in the joy of a good sailing season almost at its end. Tim will have the bar open at 11am. Please contact Martha Speers or Joyce Keane with any questions.

*Great Lakes Cruising Club School* offers recordings of webinars that all SSC members may find helpful and can be found at <https://www.glccschool.com/recordings>. They will start up in the fall again with new classes.

*Sandusky Register Saturday boating page* will be featuring SSC and will be on the water again this month as Wednesday night racing winds down for the season.

*Credit cards are accepted at the Dairy Bar...* just as a reminder. The Dairy Bar is now able to take credit cards, Apple Pay, and Google Pay. Credit cards can be used for carry out and SSC gear that is on display by the Dairy Bar. So, keep the Dairy Bar in mind when you are looking to stock your cooler for a weekend on the water and stop at the Dairy Bar for a refreshing beverage while picking up a 12 pack or two of your favorite libation. We have a priceless view of Sandusky Bay and you can't enjoy drink for less with friends than at the Sailing Club.

*Friday Feeds will continue for September* and have been updated on the calendar for the 14th, 21st, and 28th. Grab a pizza or two, then grab some can/bottle libations from the Dairy Bar, and head to the boat if it has been a long day and you want to just relax. I am happy to report that the upgraded 14" pizza cutter works great.

*Weather station discussion now involves SailFlow* as an option for on the water, live weather conditions. I have been in contact with the Race Committee and I will also be contacting other major marinas and rowing clubs on Sandusky Bay to see if we can get enough support for a weather station in Sandusky Bay. The following link will show your support of the Sandusky Bay Installation Project by signing up for the monthly service. You will not be charged until the weather station is installed. We need 15 new subscriptions in our area. <http://www.SailFlow.com/sandusky>

*2018 is Sandusky's Bicentennial Year* and there will be events throughout the year. Thank you to SJSI for putting together a great float for the Bicentennial Parade on Aug. 18. Keep an eye on the City's website for more information on upcoming events at [www.sandusky2018.com](http://www.sandusky2018.com). The fun is not over.

*Contact me* - Please feel free to contact me at [matt.bedee@theaustin.com](mailto:matt.bedee@theaustin.com) or 419-202-0044.

### **Operations ..... Tim Kyle**

*We have added dock number tags* to your first dock post. This should make it easier for friends to locate your boat.

*The next scheduled Sadler Basin Committee meeting* is Monday, Sept. 3 at 7:00pm.

*Feel free to contact me* with concerns about the marina or clubhouse, at [manager@sanduskysailingclub.com](mailto:manager@sanduskysailingclub.com) or call 419-656-5881.

**Membership .....PC Steve France**

*Three new memberships were approved* at the August board meeting.

**Martin and Maria Brosch** make their home in Munroe Falls. They are prior members and sail a Nacra F-18 Catamaran. They have three children: Henry, Anna and Elizabeth.

**Stefan and Sally Pabst** hail from Wellington and currently sail a Lightning and are former members of the ILCA (International Lightning Class Association).

**New crew member Tim Miley** lives right here in Sandusky. He does not own a boat currently.

Please join me in welcoming these new members to SSC.

**RC Boat Committee.....Terry Parker**

*Summer got off to a rough start* for our committee boats.

*Escort I* was rusted through. It took forever to get a replacement mark boat because of weather pushing back launch season and then some very frustrating mechanical delays which were unexpected after a thorough survey and successful sea trial.

Additionally, we are still playing “catch up” from nine years of neglect, and trying to move onto a proactive and preventative footing as opposed to crisis management. We plan to store the boats indoors this winter so that we can work on them, with the goal to have them seaworthy and launch-ready for spring.

This brings me to an important point. There are two ways that can happen: One, we can significantly increase the money the club spends (some increase will be necessary to close the current care gap). Or two, we can enlist the help of volunteers from the club so that we can continue to offer the racing program as we know it. So, if you have particular skills and/or equipment in these areas, and would be willing to be a volunteer (not serve on a committee but be willing and able to do these tasks as/when needed), please contact me: mechanical, electric, woodwork, painting, metal/fiberglass, glass work, cleaning/waxing, canvas, electronics. We need your help! We hope to be able to schedule work days over the winter. Please contact me. Thanks! [Terryparker47@gmail.com](mailto:Terryparker47@gmail.com) or 440-320-3100.

**Regatta Committee.....Jay Austin**

*J/24 Great Lakes Championship* will be Sept 7-9 at SSC. Link to the NORs via the SSC website or click here - [https://yachtscoring.com/event\\_documents/4775/2018%20J24%20GLC%20NORs%20-%20FINAL.pdf](https://yachtscoring.com/event_documents/4775/2018%20J24%20GLC%20NORs%20-%20FINAL.pdf)

*As always, we can't hold these top-level events without your support!* Please contact me at [regattas@sanduskysailingclub.com](mailto:regattas@sanduskysailingclub.com) to volunteer for any and all racing events.

**Learn to Sail.... Mic Kaufman / Suzanne Hartley**

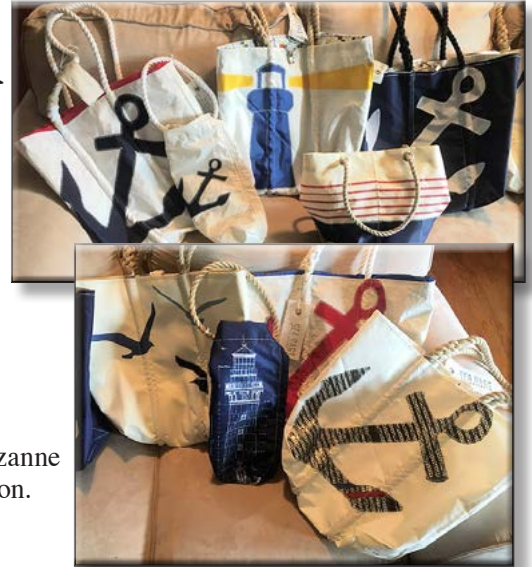

Learn to Sail has completed another successful season. We'd like to thank all of you for your support! We had 49 kids through the program this year!

*A new order of Sea Bags has arrived!* 🐼 🐼 🐼

*Please remember* that tuition does not cover the cost of the program. We appreciate donations anytime of the year.

*SJSI has motors and boats for sale.* Contact Mic or Suzanne for more information.

**Adaptive Sailing Adventures ..... Larry Knauer**

*Where has this summer gone.* We are in the last week of Adaptive Adventures Sailing for the season. Sept. 10 will be the last Monday night sailing.

*Final Open House* - Wednesday, Aug. 29, marked the final Wednesday water sports day from 10-4. This was the final open house for the season. We have a closing event planned for Sept. 22, but weather will likely limit any activity on the water that day.

Looking forward to a great week to close out the 2018 season. Come out and support our veterans and individuals with mobility limitations.

*We can always use more sailing captains and shore support* at any of these events. Please contact Larry Knauer at 614-551-3118 if you would like to volunteer.

## Communication Committee.....RC Matt Bedee

There is not a lot new at this point to report, but there will be this fall. We are finding that this committee touches almost every aspect of the club and we are working on plans to bring things together.

**Facebook now has a Sandusky Sailing Club Business Page**, so make sure that you are following the official Facebook page for the Club. <https://www.facebook.com/SanduskySailingClub/>

**Google...**Sandusky Sailing Club has officially been claimed on Google, so please go to Google and do a review of the club. Many people use Google to make decisions and positive reviews will help make that decision a lot easier to join Sandusky Sailing Club.

**Connecting to SSC Wi-Fi** - Make sure to connect to SSC\_2.4GHz-guest or SSC\_5GHz-guest. When prompted by your device, use sscguest for the password for both connections. If your browser or phone will not bring up the Linksys Login Screen go to the [www.sanduskysailingclub.com](http://www.sanduskysailingclub.com) and that will trigger the Linksys Login Screen to pop up on the device. Use the SSC\_5GHz-guest connection if you need to use VPN and/or need a more stable connection for work related connections. You may also find this information on the Members Page on the SSC website once you have logged in.

**Zoom Meetings** have been working well for the Communications Committee meetings at the club on laptops and tablets. We will be looking to utilize Zoom meetings for more Board/Committee meetings to allow out of town members to participate on the Boards/Committees. If your board/committee/regatta meeting would like to utilize Zoom, please contact me for information.

**Forgot your login info?** Just click on the Login button the top right corner of the page without filling it in. When you get to the next page either click on the buttons for "Forgot Your Username" or "Forgot Your Password." Follow the instructions on the following page to update your information to access the website.

**Club laptop is set up in the Commodore's Room** and will remain accessible as long as it is used appropriately. Should we need to make it for official SSC use, the password will be changed. Currently the password to access the SSCGuest User is the same as the Wi-Fi, sscguest. You may have to enter the Wi-Fi password occasionally, so check that if the Wi-Fi does not seem to be connecting on the laptop.

Please turn the laptop off when you are done using it and unplug the charger from the side of the laptop. The Chrome browser is set up to have SSC Website and Intellicast links in the Bookmarks bar under the address.

**Email communication** with various SSC Boards/Committees/Chairs is easier by using the email addresses below. The Communications Committee will maintain changes to the email addresses, so all you need to do is send away.

## For the Good of the Order

**SSC online calendar** - Tim has been making a concerted effort to keep the SSC online calendar current, making it a more useful tool when you're trying to find out what's going on at your club. Go to [www.SanduskySailingClub.com](http://www.SanduskySailingClub.com), then to "Communities," then to "Events Calendar." Click on the event to get more info, contacts, links, as well as any fliers available. Skippers, share this calendar with your crew so they know what's happening at SSC.

**I-LYA news** – Keep up with the latest news from the Inter-Lake Yachting Association, the governing body of local clubs, by subscribing to the I-LYA newsletter or check out past newsletters at [www.i-lya.org](http://www.i-lya.org).

The SSC Interlakers decided to take a group shot at Nationals at Edgewater Yacht Club. Unfortunately, it was on a floating dock. Note the faces and reactions as the dock starts to sink and they scramble off the dock like rats on a sinking ship.

**The new and improved Kelleys Island Challenge - You still have time!!!!**

2018 NOR: Around Kelleys Island any way you wish, any time you wish before Oct. 30, 2018.

Start and finish off the SSC entrance (line up the center of the basin opening with the white light standard). Stay east of the rockpile - R2 (Neuman's) Buoy - if you have half a brain.

Other than the island, the only mark on the course is Can G "1" just off the NE corner of Kelleys (NOT C "3" at the KI reef!). Pass outside of it.

Course is 22.5 nautical miles.

Race any time between May 1 and 6:00pm Oct. 30, 2018.

Take your own time.

If you want your results to "count," report them the same day to the SSC JAM email list and Skip at [soliver@heidelberg.edu](mailto:soliver@heidelberg.edu) or Facebook, and send \$25 within one week to PC Skip Oliver, 1112 Wayne St., Sandusky, OH 44870.

At the end of the season, all funds collected will go to the winners' favorite charity, and will be reported in the *Cross Bearings* and elsewhere.

You can make more than one attempt per season for your \$25.

Additional prizes - both division winners get an extra \$50 donation to their charity; and single-handed gets a \$50 gift cert from West Marine; crew gets a bottle of Prosecco (thanks to Phil Dufresne)

Two divisions (two winners) - crewed and single-handed.

2016 Winners - Single-handed, Steve Zorn, Hunter 30T  
Crewed, PC Steve Jackson & Brad Balmert, Tartan Ten

2017 Winner - Singled-handed, Skip Oliver, S2 7.9
