House and GroundsVC John Giordano

It's hard to believe it's already September. The summer has gone by quickly, but we still have several good weeks of sailing remaining.

Sandusky Islands Race - While the winds weren't as favorable as we'd have liked, the 69th running of the Islands Race was a big success. Judging from the laughing and conversations on the course, everyone had a great time. Hats off to PC Hank and his crew of volunteers for a job well done.

The One Design Regatta and Jet 14 Nationals will be here on Sept. 14-15. Please plan to come by the club and participate in the festivities.

Fall Meeting and Workday - Last but not least, soon it will be time to ready the club for the winter. To that end, please mark your calendars for the annual meeting and fall workday on October 12.

As always, if you have ideas or suggestions, send me a note. VC John Giordano, 205-903-9257, Boiler.John85@gmail.com

Ahoy SSC! I can't believe it's already September – feels like summer just started, right? But fret not, the fun isn't over yet! **Friday Night Feeds** are still going strong this month, and we couldn't do it without the kitchen legends: The Goods,

From the HelmComm. Jason Huffman

August was a busy month around the club capped off by another successful Sandusky Islands Race which featured over 30 boats from both inside and outside SSC. Thank you to all of the members who volunteered, supported, and raced! We look forward to hosting everyone again next year.

As we move toward fall, be on the lookout for notices about Fall Workday as we close out another successful sailing season!

A Frozen Meatball Golf Champion has been crowned for 2024! To the left, Russ Krock lines up his valiant attempt! The new Champion is..... wait for it..... PC Eric Winkel. He put it in on his first swing!

Griffens, Thomases, and Regnets. Y'all have been keeping us fueled up for all the action!

BUT – insert friendly nudge here – we need a few more brave souls to volunteer for fall so we can keep the galley shipshape and the good times rolling.

Labor Day potluck - Speaking of good times, we wrapped up another epic Labor Day potluck, and let me tell you – the food was amazing, but the real MVPs? Everyone who stuck around to help clean up. If you know, you know.

Now, let's switch gears and talk racing, because SSC has been busy reppin' that burgee!

At I-LYA Bay Week, we had *Oasis* (PC Mike Fishbaugh) and *InfraRed* (PC Bryan Huntley) battle it out in PHRF, with Huntley securing a hard-fought-for 3rd in class.

And then, boom, on to the PCYC Green Island Race! PC Wes Blazer's *Powerage* and PC Bryan Huntley's *InfraRed* delivered an SSC 1-2 punch in PHRF, snagging 1 and 2 in their class and 5th and 6th overall. Meanwhile, Harold Alber cruised to 2nd in multihulls on *Myira Ann*, and to cap it all off, my boat *Smack Talk* took 1st in JAM while Bill and Judy Kellner's *Throwback* grabbed 2nd.

I mean, if anyone's wondering whether we're still a racing club... the proof is on the water. Racing at SSC is very much alive and kicking. Let's keep that momentum rolling and keep showing Lake Erie what we've got!

How many of the Cape Cod Frosties built by a bunch of SSC members 30+ years ago are still around? Ask Don Guy about his first Frostie outing in decades.

Race Committee crew - But remember, just like the galley, all this racing magic doesn't happen without a crew. Shoutout to the unsung heroes: the Race Committee crew. Next time you see 'em, be sure to toss a thank you their way – they've earned it!

What's on deck for September? Well, we've got the One Design Regatta/Jet 14 Nationals, the Kelleys Island Night Race, and more travel plans to Port Clinton and Put-In-Bay for some serious sailing showdowns. The season ain't over yet, folks – even if it's starting to feel a little cooler out there.

Let's finish the year strong, SSC fleet. Here's to smooth seas, fast races, and a fantastic fall ahead!

Fair winds and happy fall.

Please feel free to reach out to me, tim@tendesign.us. I would love your help!

The Sandusky Sailing Club welcomed 349 Opti sailors to the North Coast, accompanied by 64 coach and spectator boats and countless family members. Sailors were greeted with typical Midwest hospitality, beautiful weather, and challenging summer winds. Speaking for the Membership, Board of Trustees, and Flag Officers of SSC, we truly appreciate everyone's kindness, gratitude, and compassion. I was honored to lead the regatta planning team consisting of 100% volunteers. The work ethic and dedication of the team made my job easy and we hope the USODA is proud of the efforts of a fully-volunteer club. Another huge thank-you must be given to our Title sponsor McLaughlin who was an integral part of the success of this regatta. Thanks Trisha!

Until we meet again at the next regatta, smooth winds and following seas!

Jay Austin
2024 Opti Nationals Chairman

Opti Team Race Nationals:

The three days of racing provided challenging conditions to the 22 teams and 103 sailors competing for the Team Race National Championship. After light Day 1 winds clocked 360° and left the sailors and Race Committee thoroughly confused, the unique Northerly settled in and provided for excellent racing for the duration of the regatta. The cut was made and 12 of the top teams competed in the Gold division. The other 10 teams competed in a hotly contested Silver division. In the end, it was clear that the Red team from Carolina YC came to win! Their poise, consistency, and dominance allowed them to take home the coveted USODA Russell Trophy. Another shout-out goes to the St. Petersburg YC team #2 who won the Silver division with a perfect score in their second round robin. Congrats to all the teams who competed!

2024 Optimist National Championship - *By Jill Treece*

The 2024 Optimist National Championship, held in Sandusky, Ohio, from July 23rd - July 30th, was an undeniable triumph, showcasing the remarkable talents of some of the nation's top young sailors. Hosted by the Sandusky Sailing Club, this event brought together over 346 competitors, aged 8 to 15, for a week of thrilling races and unforgettable experiences with sailors from across the world.

Team Racing: Strategy, Speed, and Collaboration

The championship week kicked off with three intense days of Team Racing. The variable winds and shifting conditions on Sandusky Bay set the stage for a fierce competition among the young sailors. Unlike traditional fleet racing, where individual sailors vie against one another, team racing is a fast-paced and strategic discipline that emphasizes collaboration, tactical decision-making, and incredible boat handling skills. Teams of four sailors competed head-to-head, with the goal of achieving the lowest combined score. This dynamic format required sailors to focus not only on their own performance but also on supporting their teammates, often making tactical moves to defend against the opposing team's progress. Team racing proved to be as much about strategy as it was about speed, with sailors needing to be quick, anticipating the moves of both their teammates and opponents.

The final morning of team racing started with a bit of suspense, as sailors were held at the dock due to a waterspout swirling near Cedar Point. Despite the delay, the excitement only grew, and spectators eagerly watched the final sail-offs, cheering Carolina Yacht Club to a well-deserved victory!

Past award winners - The last Sandusky Sailing Club Yearbook was published in 2019. In 2020, 2021, 2022, 2023, and to date 2024. Every year that a yearbook has been published, a listing of previous winners of the following SSC Awards has been included: Lyman Memorial, George Ward Sportsmanship Award, Cruisers of the Year Award, Junior Sailor of the Year, Roger Van Fleet Crew Award, Outstanding Service Award and the Norm and Gloria Winkel Leadership Award.

Since the yearbook has not been published in the last five years, identifying the all the award winners from 2020 to 2024 has now become extremely difficult.

Thus, in the last five years if you have been the recipient of any of the awards listed above, please come forward by sending your name, award and year in a short email to PC Eric Winkel at eric@artdpartment.com.
