Commodore's Comments..... Comm. Wendy Kaufman

Secretary - I would like to thank Steve Clark for volunteering to try on the Secretary position. To start, he will be handling the general duties and I will be managing the membership roster. So, if you have any membership issues, please contact me and NOT Steve.

Sandusky East Bay Waterfront - On June 22, the City of Sandusky held a public meeting to unveil three drawings of "preliminary concepts" for the East Bay Waterfront. Prior to the public "unveiling," VC Mark Gross and I were invited to a private viewing with two of the designers. Mark and I offered much input as the concepts were disclosed to us. Mark forwarded an email invitation to the membership for the public meeting even before the Sandusky Register printed the invitation on the front page. We also made several phone calls to ensure that Sadler Basin Committee members and other key club members planned to attend. About a dozen SSC members attended the public meeting. The City's goal is to allow the public full access to all 1.4 miles of shoreline and enjoyment of waterfront by creating parks, green spaces with restrooms and venues throughout. One concept does not affect SSC at all. One concept shows the basin as a "joint use" body of water, mainly where the break wall ends and the "wetlands" area is. The third concept, however, would have a big impact on SSC as we know it. Among other things, there is a green space where the club sits and the Basin is reconfigured so the docks run off the junior wall. This concept is NOT a final version, nor have there been ANY negotiations with us. I encourage anyone interested in gathering more information to communicate with those who attended the meeting. Please...Stay calm! There is much more input and planning to happen. Your flag and board have been involved in meetings with the city for well over a year, and we want you to know that we are staying on top of the situation and welcome your input, concerns, and suggestions. We have encouraged regatta attendees to share their impressions of SSC with the city, via Facebook or website, to enlighten the city as to the value we bring, both to the community and to the continued financial success of the downtown district.

New Members - We accepted new members in April and May that we would like you to know about...

Regular members Jan Adams from Westerville, Ohio and Greg Arnold from Medina, Ohio from the General meeting. Hewitt "Bill" Shauck of Newark, Ohio from the April Board meeting. Crew member Sherry Wilson and Regular member Thomas Schmidt from Norwalk, Ohio from the May meeting. There were several new members from the June meeting. Crew members: Stewart Zerkle, Lou Schier, Matthew Braniecki. Regular members: Briston Brocker of Worthington, Ohio, Alex Huber of Huron, and Randall Adkins of Mansfield, Ohio.

Stein Hospice Cup Party - The Half Naked Monkeys will be entertaining us at this great fundraising party/rib and chicken dinner at our club on Friday, July 7. The bar opens at 5:30, dinner 6-8pm. If you can, please encourage everyone you know to come out. All proceeds, shirts and dinners, benefit Stein Hospice. Let's make this year one of the most profitable!

Commodore's Day Brunch - I would like to thank all of you that joined Leo, Mic, Max and me on Tuesday for lunch and activities. I have heard many of you enjoyed the food. I saw the corn hole boards in use and the slack line bending under the pressure! Your fellowship was truly enjoyed and appreciated! Big THANKS goes out to Leo, Chef Max, Melissa and Tim Kyle, Carol Leavens as well as Sally Zehe for the fabulous corn salsa recipe.

Regattas - One Design Regatta, held on June 10 and led by Bernie Ashyk, again was very successful. A huge thank you to Bernie and his team for their continued efforts each year!

I-LYA Sandusky Junior Regatta was held June 17 and was very well attended due to exceptional weather. Thank you to all who helped out including parents, SJSI and Race Committee for making it such a great success!

The weather was NOT as friendly for the Flying Scot Nationals which started with measurement on June 23. Unfortunately, the Women's and Juniors' portion of the regatta was blown out, leaving everyone hoping for lesser air so the racing would commence for the Nationals on Monday. Even though the winds were heavy (gusting over 21) at times, there was racing Monday through Wednesday, leading up to the Banquet at SYC Wednesday night. Everyone had nothing but positive remarks and said they look forward to our club hosting another Flying Scot event. The final race was scheduled for Thursday and by 8 am the "A" flag was flying as we had gusts over 25. The up side was that everyone attended the awards at 10am and most headed home by noon. The final boat count of 68 well surpassed Committee expectations of 50 and was only one reason this Regatta was a huge success. PC Steve France and Jay Austin put together several awesome teams and we surely WOW'ed the Flying Scot Fleet! Thank you to all for the great work making a long lasting positive impression on yet another fleet and National Regatta Committee! Steve...you certainly outdid yourself! Many of the racers from all these regattas echoed what I have been saying..."Your Race Committee is the Best!"

Watch the calendar for upcoming Regattas including Sandusky Islands Race, and don't hesitate to jump in and volunteer. These events can bring in a lot of revenue for the club, and the attendees make a lasting positive impression on the City of Sandusky.

As always, please feel free to contact me anytime.

As your Commodore, I am committed to serving you and hope that you will join our board meetings the second Tuesday of each month at 7:00pm. Thank you. Comm. Wendy Kaufman, text or call 419-656-9566 (cell) or email me at willowwalkers@aol.com

Vice Vice Baby!!VC Mark Gross

House & Grounds – Thank you to Amy Young, Frank Hill, and Carolynne Zettler for helping me get the landscaping looking good for the Junior Regatta and the Flying Scot Nationals. And thanks to PC Monty Kaufman and his crew for cleaning up the beds around the back of the clubhouse and pavilion and getting weed fabric and rock down; that will help with future maintenance needs. There are still ongoing landscaping projects to tend to, so if you have the skills, time, and desire to help out, please let me know what you'd like to do. If you see something that needs to be addressed, please let Tim or me know.

Our milkweed – Unfortunately, an unknown person removed our entire milkweed planting from the entrance island. This is disappointing because this patch had been planted a few years ago by the club to support the monarch butterfly migration. Milkweed is the primary food source for the butterflies. We are on one of the largest migration paths for monarchs in the United States and milkweed is becoming more and more scarce. It was nice to know that SSC was doing its part to help. I had planned to move the patch to a different location after the season this year, but that won't be possible now. If anybody would like to donate milkweed this fall, so that we can establish a patch in a new, more out of the way location, it would be much appreciated. In the future, if a volunteer wants to remove plantings from our beds, please check with the VC in advance.

Grills – Don't forget that the grills are SSC property and available for use by all club members. Please make sure to clean the grills after you use them; the next user will appreciate it and the grills will last longer. There are grill brushes in the galley. Thanks! And a big thank you to PC Bryan Huntley for taking care of the annual, off season maintenance on the big grill. That is heck of a piece of equipment!

2017 Yearbook – The yearbook is complete and has gone to print. Thank you to PC Eric Winkel for all his help!

Contact me at mgross@grosslaw.net or 419-357-6747.

The View from the RearRC John Schwartz

Lots of wind so far this summer. As a rule, I prefer too much wind as opposed to the alternative, but it really has been too much of a good thing.

Flying Scot Regatta - Those of you who spent some time around the clubhouse on the kickoff weekend of the Flying Scot Regatta know - we have had some great programs, the first from North Sails and another featuring Anna Tunnicliffe. PC Steve France did a great job of managing the event. I've heard nothing but positive feedback from the skippers and crews that participated. It's a neat class.

I had ambitions of running a boat drinks party one Saturday in July-- and I've even got a local reggae band on the hook. I thought it would be fun to do something family friendly with live music. The nice thing about blender drinks is that without the alcohol it's just a smoothie or a milkshake-- and kids love live music. However, the July schedule with the Fourth, then Junior Bay Week, then Senior Bay Week...

That's how you know you live a charmed life, when all the good stuff keeps getting in the way of other good stuff. We'll work on getting it set up in August-- or perhaps Labor Day Weekend. Stay tuned.

I'd also like to circle back to at least one Friday Forum in August. Let me know if there is something in particular that you think would be interesting to 20+ of your friends. Email me your ideas at john@christielane.com.

Also-- I'm always looking for help-- so if you have an idea for a party and you're willing to MC it, hit me with that as well. Even if I can't make the date, I will make sure that you are stocked and otherwise supported for that event. The only guidelines are that it needs to be legal, rated no more adult than PG-13, and cost neutral so that if we spend money, we have a honest plan to cover those costs through sponsorships, cover charges, etc. Thanks!

I hope that your summer is going as well (but hopefully not as quickly) as mine is. I look forward to seeing you around the club.

Keep the ideas coming either by email at john@christielane.com or by voice/text at 419-706-5137.

Operations Tim Kyle

New gate cards (green) are in full swing. Go ahead and throw the old white card away.

Let's keep the speed down while driving thru the parking lot. We have a lot of activity going on.

If you see some trash on the ground, please feel free to pick it up and put in the receptacles. It's your club, let's keep it beautiful.

We have several 26- and 30-foot docks available at this time. It would be a great time to invite a sailing friend to join us or request reassignment if there is something available that would be more desirable to you. Contact me for availability.

The next scheduled Sadler Committee meeting is Monday, Aug. 7 at 7:00pm.

Feel free to contact me with questions or concerns about the marina or clubhouse, at timmo@sbcglobal.net or call 419-656-5881.

Regatta Committee..... Jay Austin

The Sandusky Sailing Club prides itself on a tradition of outstanding race and regatta management both on and off the water. We are a club built on this tradition, but sometimes we take it for granted that we can count on square courses and fair sailing. It takes a strong team to pull off what we do week-in and week-out. That being said, we are asking for your support on the Race Committee. The Race Governing and Regatta Committees are looking for dedicated sailors who would be interested in learning the ropes on the Yellow Boats. Working RC is a great way to learn about racing from another perspective. RC work takes commitment, dedication, and a willingness to learn from experienced RC members. If you feel this would be something to try out, please

contact Jim Keane or me. You will have on-the-job training during a Wednesday night or Sunday morning race. Weekend regattas could also be a possibility. We are specifically looking for dependable people who could commit weekly and eventually set up a race course and be the person in charge on a Wednesday night.

Unsure if this is for you? Please feel free to give me a call at 330-351-0283. We look forward to continuing a tradition of excellence at SSC. **COME JOIN THE RACE COMMITTEE!**

Sunday Morning Bay Cruises – There are a number of Sunday morning cruises scheduled to take advantage of open weekends. They will start at 9, so we can get out and back before it's time to head home. The dates are July 16 and 30, Aug. 6, 20 and 27 and Sept. 10.

I-LYA Reciprocals – The definition of what to expect when you cruise to another I-LYA club has changed a lot over the years. It used to mean that you could expect what we offer at SSC to visiting yachtsmen. Not so much anymore. Now you might get the I-LYA deal and that varies by club. As the visiting skipper it has become your responsibility to contact the club you plan to visit, if that is even possible, to find out what they offer and what hoops you need to jump through to get it. The good news is that in most cases you just tell them on arrival that you are from SSC, an I-LYA club, and they give you their deal with no questions asked. Sometimes they may want to see your SSC card. If you encounter a need for more documentation, let me know.

SJS featured boat for sale – 1975 Ranger 28. These boats are said to win more than their share in PHRF, even today.

Displacement is 5,100.

Draws 4' 6". 9.7' beam.

Power is a Saildrive retrofit.

Barient winches, tiller

steering. This boat was

actively sailed until about

four years ago and has since

been stored at the boat yard,

with little attention since,

so it needs a little cleaning

up. Large sail inventory includes at least one mainsail, various

jibs, and at least one spinnaker with turtle bag. Rather old sails

(remember Fracker?) but said by the donor to all be usable.

They're stored separately in an indoor heated space along with

the cabin and cockpit cushions. The hull is solid (i.e., non-

cored.) Decks are balsa core and show significant softness.

Lots of gear on board. \$1,500 Contact: Mike Zuilhof

Basic Keelboat Learn to Sail Course

Qualify to charter one of SSC's cruising sailboats in as little as two days and get a complimentary six month Club Membership

Operating on the protected waters of Sandusky Bay, the Sandusky Sailing Club offers the ideal learn to sail program and location. On-the-water classes are offered on Tuesday evenings and on weekends.

Tuesday Evening Classes –

5 weekly sessions: 6:00-8:30pm

1st Class runs Tuesday, May 30 through June 27

2nd Class runs Tuesday, July 11 through August 8

Weekend Classes –

Sat/Sun sessions: 9:00am-12:15pm

& 1:30-4:30pm

1st Class – July 15, 16

2nd Class – August 19, 20

Course Fee – \$395 and includes an instruction manual, 12 ½ hours of on-the-water instruction and complimentary six month SSC crew membership providing access to SSC grounds, clubhouse and all SSC social and educational events. Upon completion of course, Tanzer 22 sailboats can be chartered for day sails on Sandusky Bay at the rate of \$150 per half day or \$250 for a full day.

All class segments take place aboard one of SSC's 22 or 24 foot tiller-steered, sloop-rigged sailboats. Students are responsible for providing their own USCG approved PFD and must wear closed-toed, non-marking shoes. Regardless of which course option you choose, you will learn/practice the skills and acquire the knowledge you will need to confidently skipper and day-sail one of SSC's sailboats on Sandusky Bay.

Adaptive Sailing AdventuresLarry Knauer

The sailing season is well underway and we are having a great turn out. We had about 25 residents and staff from Ohio Veterans Home out for the first Wednesday water sports day. We had great support from Tim (canoeing), Chuck with Freedom Boat Club, Harbor North, the Sandusky Nazarene Church and of course our host location, the Sandusky Sailing Club, SSC. Our Monday night sailing has been well attended when the weather cooperates.

Dragon and Bacon Festival - Adaptive Adventures will be the benefitting charity for the Dragon and Bacon festival in Sandusky in September. I have attached the file for registration for this event. This is a great team and fellowship building opportunity for your organizations and time is running out for early registration. How about SSC Docks vs other SSC Docks? Mix it up with family members as well; how about the Sandusky Junior Sailing Race Team?

For the Good of the Order

Sandusky Yacht Club Summer Regatta - I would like to take a moment to share with you an exciting event that is upcoming within our club. July 14-16 we will be celebrating the 91st year of the SYC Regatta. This year's theme is Heritage Weekend and we try to remember regattas of past and build upon them for the future. The history is steeped in tradition not only for SYC members but also the Sandusky Sailing Club and Sandusky Power Squadron.

I formally invite you and your club members to join us this year for Regatta. We have a weekend planned of boating games, family activities, music, food and most importantly fellowship with other Sandusky Bay yachtsmen. Attached you will find a schedule of events for the weekend. We invite you to take part in as much or as little as you would like. We will have registration set up in the main clubhouse all weekend and simply ask that your members check-in at the registration desk upon arrival. The live entertainment throughout the weekend is free of a cover charge and will be under the big tent on our front lawn.

I hope to see you for Regatta as we honor the "Heritage" of the past. — Tom Tucker, RC Sandusky Yacht Club

Kelleys Island Challenge - 2017 NOR – Sail around Kelleys Island any way you wish, any time you wish before Oct. 30, 2017.

Start and finish off the SSC entrance (line up the center of the basin opening with the white light standard). Stay east of the rockpile - R2 (Neuman's) buoy - if you have half a brain.

Other than the island, the only mark on the course is Can G "1" just off the NE corner of Kelleys (NOT C "3")

Course is 22.5 nautical miles.

Race any time between May 1 and 6:00pm Oct. 30, 2017.

Take your own time.

If you want your results to “count,” report them the same day to the SSC JAM email list and Skip at soliver@heidelberg.edu or Facebook, and send \$25 within one week to PC Skip Oliver, 1112 Wayne St., Sandusky, Ohio 44870.

At the end of the season, all funds collected will go to the winner’s favorite charity, and will be reported in the Cross Bearings and elsewhere.

You can make more than one attempt per season for your \$25.

Two divisions - crewed and single-handed. (Thus, two winners) 2016 Winners - Single-handed, Steve Zorn, Hunter 30T, Crewed, PC Steve Jackson and Brad Balmert, T10.

PAX & Fair Winds, PC Skip.

The SSC Sunday Sailing Series is building. See the attached race course diagram. If you are interested, have questions or suggestions, contact Brett Langolf (brettlangolf@gmail.com).

The Leukemia and Lymphoma Society (LLS) of Northern Ohio will host its annual Leukemia Cup Regatta on July 20-23. The Leukemia Cup Regatta is the only event of its kind in the state of Ohio and more than \$1.6 million has been raised in the 24 years since its inception. This year we have set an achievable goal of \$170,000. In an effort to reach this goal we need to expand our circle to include more businesses, individuals and clubs.

LLS has been devoted to a single cause for the past 60 years; finding cures for blood cancers and improving the quality of life for patients and their families.

In an effort to expand upon an already successful campaign for the Leukemia Lymphoma Society we have commissioned the Northern Ohio Yacht Club Challenge Trophy.

This Yacht Club Trophy will be awarded to the Club that raises the most funds for the Leukemia Lymphoma Society. (The Cleveland Yachting Club, as the host club, will not be in the running for the trophy.) Club members can earn fundraising credit for themselves and their club through donations, boat registrations, ticket purchases, auction and auction basket donations. — Cheers, Brett Langolf

Regatta chairs – Please allow six weeks to order event trophies and flags. Thank you, Don Guy.
