Commodore's CommentsPete Grant

Summer is finally here! We are all enjoying the hustle and bustle around the club: people are scrubbing their boats, Junior Race Team is practicing, Learn To Sail is ready to start, cruisers are making big plans, and Wednesday and Sunday racing is back!

Many thanks to RC Wendy Kaufman and PC Monty and Suzie Kaufman for starting us off with the Lighthouse Inspection Tour and a successful New Members Party, followed by a beautiful Memorial Day service and potluck the next day. We had terrific attendance and look forward to an amazing season. (Look for Eilene Guy's pineapple casserole recipe from the event and a new newsletter feature.)

The One-Design Regatta is around the corner on June 6-7. Please check our website or contact Bernie Ashyk for more information.

Our next big event will be the Islands Race/ Stein Hospice Cup on June 26-28; Please check our website or contact VC Steve France for details.

Commodore's Day: Please join Paula and me on July 4th for some finger lickin' good ribs and fixins. Lunch will begin at noon, and we look forward to a fun day!

2015 USODA Opti Great Lakes Championship July 10-12 at SSC! Plans are well underway and we need all hands on deck to make this a successful event. The weekend will feature a welcome reception Friday night, racing Saturday and Sunday, beef shish kabob dinner and band Saturday night, and wrapping up with Oh Boys burgers on Sunday after the racing. Please consider joining us at our next planning meeting on Sunday, June 14 at 11:00 am, just after Sunday racing. If you cannot make the meeting but would like to help, please contact me as soon as possible.

The parking lot will be Closed July 10-12. Please remember that during the 2015 USODA Great Lakes Championship the lot will be closed for the safety of the participants. We apologize in advance for any inconvenience.

If you have any questions or any items that you would like to discuss, please don't hesitate to contact me at pgrant@bex.net.

Vice Vice Baby!!.....VC Steve France

Clubhouse news - The club looks pretty shipshape, thanks to all the support from our members on workday. Even so, we have several maintenance and repair items still needing attention, one of which is a big hole adjacent to the west wall. Tim has placed yellow caution cones around the area while we determine how the opening occurred and then what to do to fix it.

Grills - Please remember that the grills are community assets for all of us to use and enjoy. Please clean the grills after use. Grill brushes are in the galley. Thanks for helping to keep the grills clean for the next user.

Yearbook - The 2015 yearbook is done and off to the printer. Thanks to all those who lent a hand on this project. And a special thanks to PC Eric Winkel who took all my rough copy and transformed it to its finished form. He also made changes to and designed new ads for many of our advertisers. Pulling all this together was a lot of work. Thanks Eric! Eilene Guy caught a number of mistakes while carefully proofreading all the copy. Thanks Eilene! Thanks also to PC Mike Fishbaugh who, once again, worked his magic with the databases, making all our member data ready to print.

For any house, grounds or yearbook issues, please contact me at 330-524-6516 or at stevefrance@ameritech.net.

Rants from the RearRC Wendy Kaufman

I want to start off this month with a HUGE THANK YOU to someone I think goes over and above his duties at our club!!! He, and his lovely partner, deserve our sincere and humble gratitude each and every day. Without them, the club would not look, smell, or feel the way it does. For all you do...Tim and Melissa Kyle...THANK YOU!!! You make it easy to be proud out this club (and its membership)!

Sunday, May 17, and Wednesday, May 20, kicked off the summer race schedules. I understand there were several boats ready and racing on Sunday, but I know that we were not alone scrambling to get "Crosswinds" touched up and seaworthy before Wednesday racing, and we FAILED. Hopefully everyone has most, if not all, of their ships' "to do" list complete and are just waiting for the spider-friendly weather to move in! (haha). I can't believe how clean and welcoming the boats look in the cool spring air, before those pesky creepy-crawlies invade.

GALLEY SCHEDULE

May 20 & 27 - SJRT

June 3, 10, 17, 24, July 1 & 8 - JAM

July 15, 22, 29, Aug 5, 12, 19 - Interlakes

Aug 26, Sept 2, 9, 16 - PHRF & T10

Sept 23 & 30 "Fun" Races - PHRF & T10

Just a reminder that sandwich plates are now \$6 and sandwiches only are \$3.

The first Wednesday races were cold, but we had a nice turnout for the burgers and brats! Thanks to SJRT parents for serving the first two Wednesdays. Thank you in advance for all of your assistance in prepping and services after Wednesday night races. Don't forget to come and dine with us on Wednesday evenings throughout the summer.

Lighthouse Tour/New Members Party: What a great day! And what a great turnout for the New Members Party. Thank you to the Kaufmans (PC Monty and Suzie) for hosting and to the Nyes and the Auges, as well as the Grants and Steve France and Tim Kyle for all their assistance! Again this year, more than 30 new members had a big WELCOME and I appreciate everyone coming thru the food line with their name tags on! I need help learning/remembering names as I am sure many others do.

By Popular Demand - This month I'm kicking off an occasional item called "By Popular Demand." Many of you will remember the delicious pineapple dish Eilene Guy brought to the Memorial Day potluck. Several of us asked for the recipe, which she graciously agreed to share. In the future, I'm sure there will be recipes - or sailing tips - that we could share. Cruisers? Racers? Let me know what you'd like to see in this column and I'll try to convince the "owner" of that information to share with our club.

Scalloped Pineapple

1/2 cup butter or margarine, melted

1 cup granulated sugar

3 eggs, well beaten

1 cup milk

1 8-oz. and 1 20-oz. can crushed pineapple
in pineapple juice

4 cup cubes of hearty white bread (~4 slices)

Combine butter or margarine, sugar and eggs in a 2 1/2 - quart casserole dish; stir in milk; fold in crushed pineapple with juice and bread cubes.

Bake uncovered for 50 minutes at 375 degrees. Can be served hot as a side dish or cold as a dessert.

Memorial Day Potluck with all the delicious dishes including meatballs, pasta dishes, baked beans, salads, humas, fruit desserts, baked goods....everything was awesome! PC Monty performed a wonderful service around the yard arm and the weather held off and blessed us with high winds, so that almost everyone stayed in to share their favorite foods and fellowship! So many great dishes in fact, that I am hoping to share some of the recipes. Send me your recipe and I will include it in a future Rant. Eilene Guy is the first to participate. Special thanks to Tim Kyle, Paula Grant and PC Monty and Suzie Kaufman!

Sandusky Islands Race/Stein Hospice Cup is quickly approaching and we want to make sure you plan to come down to the Club and enjoy dinner on Friday night, June 26. Help us support all the wonderful Stein Hospice programs by purchasing \$20 meals and enjoying an evening out with music and social activities. We will donate \$10 for every meal purchased straight to Stein Hospice, so mark your calendars and see you there!

Please contact me with any and all brilliant ideas that you may have and I will try to incorporate them. RC Wendy Kaufman 419-656-9566 cell, 419-433-3868 home, willowwalkers@aol.com.

OperationsTim Kyle

Sailing etiquette - Please be considerate of other boaters when entering and leaving Sadler Basin. Although every boat is responsible for keeping clear of other boats, keep in mind that boats under sail have rights over boats that are motoring, a boat under way has rights over a boat backing from a slip, and a boat returning has rights over a boat leaving the marina. It's a good idea to have a crew member assigned to look out for other boats before last-second evasive maneuvers are necessary

Avoid keel damage - When entering the basin, stay 100 yards off shore until you see the white light pole in the center of the opening. Then turn and head directly for the opening. When exiting, make sure you continue straight out of the opening for at least 100 yards before turning. Some unlucky sailors have "found" the large submerged rocks near the shoreline.

Trash - Please deposit bags of trash from your boat in the dumpster and not in the trash cans located around the clubhouse. This will help control the cost of can liners and reduce the frequency of emptying the cans. Your help with this is greatly appreciated!

The next meetings of the Sadler Basin Committee will begin at 7:00pm on Monday, July 6 at SSC.

Contact information - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome. You can contact me at timmo@sbcglobal.net or call 419-656-5881.

Cruising FleetMark Swabley

Memorial Day weekend at SSC has been a great start to the summer of 2015 with thanks to the efforts of PC Monty and Suzie Kaufman. They sponsored the 15th annual Lighthouse Inspection Tour, hosted the New Members party, and put on the Memorial Day service. There was a good crowd and long lines for the potluck that followed.

Skippers' Choice - We would like to keep the momentum going by having Skippers' Choice events on the weekends where everyone who can shows up Friday evening under the pavilion for dinner and drinks and the rest roll in for Saturday morning coffee where we finalize our destination based on the weather and the whims of those in attendance. Destinations could be shopping and boat maintenance when a northeaster sets in, or day sailing with dinner at the club and a trip to Toft's Saturday evening if it is kicking up out on the lake, or a great cruise to Cedar Island, Lorain, Islands, - based on the weather. Hope to see a lot of participation in our SSC activities this season. This month's Skippers' Choice weekends will be on June 5-7 and 19-21.

Leamington Sail-Away - June 12-14 Skippers Sheryl Hoffman and John Wiggins have coordinated this year's cruise. Dock fees are \$1.75/ft. plus tax. Plan on a Friday morning departure from SSC. There will be a BYOB and shared appetizers dock party upon arrival of the fleet. Saturday morning will include our favorite calorie free pastries on the dock, with the remainder of the day free to explore by foot, taxi, kayak or bicycle. Dinner will be at Sarracino's in Kingsville (10 minute taxi - shuttles

will pick up at Marina at 6:30). Our return sail is on Sunday. Customs re-entry is at Cedar Point. Just a reminder - Passports are required for all skippers and crew members. If your boat is 30' or more, you will be required to have a Private Vessel Decal in order to re-enter the States. See more info at this link www.cbp.gov. We have 11 confirmed boats. We may be able to get additional docks, but your reservation is needed immediately for possible dockage, morning pastry and dinner reservations. Email Sheryl at slhoffman33@gmail.com.

North Channel Cruise - Just in case you are interested in cruising to the North Channel this summer, Jim Ziss and Mark Sommer have put together a group that is heading north on Tuesday, June 23. For more information on their itinerary or to join them contact jimziss@gmail.com.

Middle Bass Sail Away - June 26-28th we will be participating in the Club's Sail-Away to Middle Bass Island starting with a nice dinner and party at the club on Friday and a fantastic weekend where we take over Middle Bass Island. You will see lots of information in this newsletter. If you still have questions email me at mwsabley@gmail.com.

Looking forward, Monty has made plans to cruise east to Erie, PA. Their group will leave Aug. 1 and plan to be gone two weeks. He has also included a one-week trip, turning around at the halfway point, for those that don't have that much time. Contact kaufmanmonty@gmail.com for more information.

Jack VanderHorst is justly proud of the large Smallmouth Bass he caught by the SSC ramp.

Junior Race Team Lori Coulter

The Juniors are excited to be back at the club practicing every Monday, Tuesday and Thursday evening. They just completed their kick-off regatta at Alum Creek, hosted by Buckeye Yacht Club, on May 30. We proudly held the podium in each class: Jack Kohila took first place in the Opti white fleet and Jack VanderHorst came in third in the Opti blue fleet. Skipper Dylan Winkel and crew Montana Coulter earned third place in 420s while in Laser Radials, Oliver Burger took first place and Nathaniel Zettler took third. All the sailors performed wonderfully and made their coaches, Sam Patterson, Eli Zettler and Mic Kaufman, quite proud.

Next regatta - The team will head south again on June 6 to Hoover Yacht Club, followed by trips to Berlin Yacht Club, North Cape Yacht Club and then Edgewater Yacht Club for Cleveland Race Week.

New members - we want to welcome our newest family to the team. Lilly and Annabelle Gross, daughters of Pam and Mark Gross, make up one of our three new 420 teams. Come on down to one of our regattas and meet these dedicated young sailors.

For the Good of the Order

"All lights and all buoys are on station for the 2015 sailing season." This was the report given to Commodore Peter Grant from six boats that went out to investigate on the 12th annual LIGHTHOUSE INSPECTION TOUR. It was great weather and good sailing complete with a 180 degree wind switch. When we returned to port, the night was complete with a Welcome to New Members dinner and conversation on a balmy evening. Thanks to RC Wendy Kaufman, Tim Kyle, Phyllis and Dick Auge and Gary and Jan Nye for their help with the dinner.

Club Sail Away and Sandusky Islands Race/Stein Hospice

Cup... Our Club Sail Away/Sandusky Islands Race/Stein Hospice Cup weekend is less than a month away now – June 26 and 27. And what a weekend it will be! The festivities begin when we roll up the dairy bar shutters at 5:30 Friday evening. The Stein Hospice Benefit Dinner begins at 6:30pm and we serve the best barbecue ribs in town till 9:00pm. Don't forget that \$10 of your \$20 dinner ticket goes directly to support local Stein Hospice programs and is tax deductible. So bring the whole family, enjoy superb ribs, support Stein Hospice and dance to the music by popular local band, The RayBans.

Cruisers and racers can register on the club website or can register and checkin between 6:00 and 10:00pm Friday evening at the clubhouse. For cruisers who plan to race with the cruising class, indicate your largest headsail on the registration form and we'll assign you a temporary rating for the race. The Cruising Class will have a five-minute start time window to avoid close encounters with other boats. We'll even have prizes for cruisers, including awards for first to finish, first place on corrected time, and for the smallest boat with the most crew. Registration for cruisers is \$25 and includes a Friday night dinner ticket plus two beer tickets redeemable at JF Walleye's. Race registration is \$90 (\$80 if paid by June 22) and also includes one dinner ticket and two beer tickets at JF Walleye's.

On Saturday, June 27, we serve a continental breakfast from 7:00-9:00am at the club. The first start is set for 10:00am off the Cedar Point Pierhead. There will be starts for PHRF, T-10, Multihull, JAM and Cruising Class boats. The finish is just off the entrance to the Middle Bass Island Marina. After-race festivities are at JF Walleye's Restaurant, a short walk from the marina. Go to the club website to reserve a dock at the MBI State Park Marina. Cruisers who want to join in the Sail Away and the big Mambo at Middle Bass but prefer not to race, make your way to MBI in any way you choose. It's going to be one of our most memorable events of the summer. Be sure to join in. — Steve France, 2015 Chair.

The parking lot will be closed on July 10, 11 & 12 as a safety precaution during the Opti Great Lakes Championship. Thank you in advance for your understanding.

Lost - Last June we lost an electrical tester in a plastic bag, black wire 10' long light cord with 2 small alligator clips (1 red - 1 black) at each end. Also, Sept. 14-18, an American flag on a 2' wooden flag pole with rubber end tip went missing from the stern of *Whisper*. Contact Dave Taylor at daonesail@msn.com.

Found - Medium spinnaker sheet. Found by the ramp. Contact PC Eric Winkel at eric@artdpartment.com
